Shooting Sports, a thinking man's / women's sports as a therapy, can be applied to kindle one's emotions and to bring to life a whole new person. Shooting sports create opportunities to explore one's strength through concentrated activities. Such

experiences increase mental disciplines, yielding to sharpening and expansion of concentration levels. As a result of this, students learn to be independent, assertive, self-reliant and have patience and gain maturity.

To achieve a healthier lifestyle while coping with the pressures of studying, one needs to be healthy both emotionally and physically. As a part of this process, NGL emphasizes the importance of sports, Gym, Yoga etc.. and considers them as an integral part of the curriculum.

Spicy Village is the NGL's largest college refectory intent for students and staff. It serves wholesome cuisine for the health and fast food for those intended in quick bite between classes.

NOBLE Outbound to Unlearn & Learn

Is someone who risks their life in extreme sports a HERO or a FOOL ?

Nehru Outbound for Leadership Excellence helps students to unleash the hidden potential and help them to reinvent themselves. In today's world, qualities like leadership, Being self-driven, decisiveness and team spirit have taken on an unprecedented importance. We firmly believe that the traits can be learnt best in NOBLE than in class rooms. This facilitates an inner view of student's strengths and limitations, thereby leading them to high power individuals with a strong team spirit.

In today's world, qualities like leadership, being self driven, decisiveness and team spirit have taken on an unprecedented importance. These are all the traits that make one stand apart and make individuals & corporates to stand ahead from the mass. We firmly believe that these traits can be inculcated best in outbound programmes at "NOBLE" than in class room learning. The OBT facility is set quite away from the hustle and bustle of the city and is devoid of the urban influence. The facility offers an avenue to rediscover one's hidden potential thereby leading to high powered individuals with a strong team spirit.

About NEHRU GROUP OF INSTITUTIONS

The biggest conglomeration of Established Educational Institutions in Tamil Nadu and Kerala, befittingly christened after the name of Pandit Jawaharlal Nehru and pertinently known as 'Nehru Group of Institutions' was the fruition of long cherished dreams, ideals and ambitions of our Founder Chairman Late P. K. Das F.I.R., F.I.Mech.E., M.S. Engg., M.Ae.S.I., A.F.R.Ae.S (London), C. Engg., who was a great visionary with missionary zeal, a Chartered Engineer with reputation of the highest order, an Industrialist with extraordinary entrepreneurial spirit and a Philanthropist with benevolent and humanitarian approaches.

As an erudite and enlightened educationist, excellently endowed with extraordinary talents and tenacity, he has built up a galaxy of glorious institutions, running courses of interest to the students relevant to the present day requirements and required to imbibe specialized knowledge to the students to gain cutting-edge competencies.

Ever since its inception in 1968, it has grown from strength to strength and has blossomed into the biggest group, having at present 20 institutions, recognized by regulatory authorities like Universities and UGC, Accredited by AICTE and NAAC, PCI, DGCA Certified by Internationally renowned ISO certifying agencies and resolved to render selfless, dedicated and devoted service to the cause of higher education in the relevant and rewarding fields of Engineering, Management, Commerce, Information Technology, Aeronautical Engineering, Industrial Training, Medical, Pharmacy, Architecture and Law.

The legacy left behind by our late chairman has been bequeathed by his two illustrious sons Adv. Dr. P. Krishna Das and Dr. P. Krishna Kumar by assuming offices of Managing Trustee and Secretary & CEO respectively. They are totally committed and deeply involved in up keeping the traditions and upgrading the values of the institutions to

the unimaginable heights of pride, prosperity and popularity. The running pages are pinning the hope, faith and confidence of all concern by unfolding the ultra modern infrastructure instituted carefully and liberally at every educational institution under their able management.

About NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY

Nehru Institute of Engineering and Technology, Approved by AICTE and Affiliated to Anna University, established in the year 2006, under the able leadership of our founder chairman, Late P. K. Das is now in its tenth successful year and the institute is marching ahead towards achieving the Vision and Mission of our Founder chairman under the

guidance of Our Managing Trustee Adv. Dr. P. Krishna Das, and our beloved CEO and Secretary Dr. P. Krishna Kumar.

In its tenth year of establishment, NIET has extended its wings and included in itself 6 undergraduate programmes and 3 Master programmes in Engineering along with PG Programmes in MBA and MCA with a total strength of students exceeding 2000 in number.

NIET is well-equipped with excellent infrastructure, dedicated team of eminent faculty members and laboratories with modern facilities. NIET has become one of the pioneer institutions in engineering in the region. Currently, it gives a sense of satisfaction to mention that about 12 faculty members hold doctoral degrees with a few more expected to obtain shortly.

NIET is marching ahead in its road to success by showing continuous improvement in producing good academic results with university ranks in almost all the departments.

OUR VISION

To mould our youngsters into Millennium Leaders in Scientific fields and Technological nurture and strengthen the innate goodness and humane nature in them, equip them to face the future challenges in technological breakthroughs and information explosions and to deliver the bounties of frontier knowledge for the benefit of downtrodden and under privileged in particular and the mankind in general as envisaged by our great Prime Minister Late. Pandit Jawaharlal Nehru.

OUR MISSION

To build a Heuristic Centre of Excellence in Learning & Research in Engineering and Frontier Technology, to facilitate students to learn and imbibe discipline, culture and spirituality besides encouraging them to assimilate the latest technological know how, to extend a helping hand to the under privileged, thereby promoting happiness and propagating the same to others without any reservation whatsoever and to make it blossom into a magnificent and mighty launching pad by turning out technological giants, dedicated research scientists and top ranking intellectual leaders of the society who could prepare the country for a quantum jump in all fields of Science and Technology.
