The following points were discussed on 04.08.2021 during the meeting and the minutes were recorded as below,

Ms.A.Senthamilselvi read the Action taken report for the past Department Advisory Committee report in the Present DAC Meeting.

Dr. B.R. Senthil Kumar, Professor & Head of the Department welcomed the committeemembers.

Prof. Dr. A. Sankaran, Director/Aero, introduced all the experts from Industry as well as Academics.

Dr. K. Sundararajan, Professor & Head, Department of Aeronautical Engineering, Kumaraguru College of Technology, Coimbatore shared the following opinion,

- Effective coaching and understanding between the job and career, Knowledge and skills.
- Effective counseling to be carry out in the Progress of the students along with parents to improve the Academic performance.
- Project guide to act as a career counselor.
- More product development can be developed by getting funds from various Govt/Non Govtagencies. All Faculty members can apply product development in NewGen IEDC, mayincrease the possibility to get more projects comparatively with previous year.

Dr. K. Prabhu, Managing Director, M/s The creator Industries, Erode shared his views by following,

- Mandatory internship to meet the industrial expectations for the career opportunities.
- Inclusion of practical hands-on training session of subjects to improve student's level of skills.
- Encourage to participate in Presentation for outside colleges and companies.

Dr. G. Jims John Wessley Professor & Head, Department of Aeronautical Engineering, Karunya University, Coimbatore shared the following comments

- Divide the students into three segments and form separate team to maintain as Job, Higher studies and Entrepreneur.
- Higher studies further divide into two subdivisions as In India and In Abroad.
- Encourage through awards for Presentation to improve learning methodology and to reduce the stage fear for the students.
- Resume writing session workshop to be carried out for third and final year students for the betterment of making resume.
- Gate exam coaching may be guided by the faculties to improve knowledge of students

Shri. P. Jayapal, Former CEO, CEMILAC, Bangalore, emphasized the following,

- Student's basic knowledge is to be enhanced as a strong basic foundation.
- Exposure to interdisciplinary job opportunities of various interlinked departments for the students is to be updated.
- Practical experiences must be given to the students through internship to improve learning methodology.
- Faculties can include multi model demonstrative classes to improve teaching methodology.
- Internship should be granted for long term.

Ms. R. Sabarishwaran, Alumni shared her thoughts as mention below,

- Knowledge of the students may be raised through Add on courses like UAV pilot to meet industrial expectations.
- Explore the students to make use of laboratory in the college like composite lab etc.
