Vision: To build a strong community of budding engineers with deep fundamental knowledge in mathematics, science and general engineering for facing the future challenges by utilizing all the resources to benefit the human community through responsibility, dedication and ethics as expected by great leaders of our nation.
Mission: To build a strong centre for learning the fundamental concepts in mathematics, science and general engineering. To facilitate the budding engineers to practice the professional ethics with time bound culture. To mould the youth as quality engineering professionals. To equip the youngsters with analytical and communication skills so as to become successful entrepreneurs. To create self confidence for facing any challenge posed by global investors with technical knowledge.
