Vision

Our Vision is to strive the students to foster rigorous academic emphasis with rich diversity of skills for the ability and passion to work sensibly and ethically for the betterment of humankind.

Mission

- To prepare excellent Mechatronics Engineers with leading edge technology.
- To achieve blending of knowledge attainment and application
- To impart value-based training and inculcate socially committed professionalism.
- To develop the future engineers with invaluable entrepreneurial skill.
- To build a strong integrated team of Mechatronics professionals.
