Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on 04th March 2023, by and between Robotica FA Solutions (RFAS), 142/3-1; Bharathi street, Udayampalayam Main Rd, PO. Chinnavedampatti, Coimbatore, Tamil Nadu 641049 and Department of Artificial Intelligence and Data Science, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India. Hereinafter, referred to as RFAS. Nehru Institute of Engineering and Technology holds ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of Robotics technology, other engineering activities ranging from workshops and internships for students in the field of Robotics technology.

[Signature]
Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

WHEREAS RFAS and NIET desire to enter into an agreement in which RFAS and NIET will work together to provide Industrial Knowledge to students and faculty members, AND WHEREAS RFAS and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between RFAS and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in Robotics shall include, but not be limited to:

a. Services to be rendered by RFAS include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of Robotics technology, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial Automation.
- To organize short-term training programs in the field of Robotics
- To provide opportunities for the Artificial Intelligence and Data Science students of the college to undergo Industrial training and In-plant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

b. Services to be rendered by NIET include:

- To create awareness among the students about the **Topic of Robotics, powder coating in the field of Engineering, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by RFAS.
- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the RFAS.
- To train the employees of the RFAS on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of **Robotics in the field of Engineering, Product Development, Training, and Development / Value added courses** will be provided to the students and faculty members in the form of workshops and internships.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

 ACCENT TECHNO SOFT

Dr. P. MANIARASAN
 Principal
 Nehru Institute of Engg & Technology
 T.M.Palayam, Coimbatore - 641 105.

ARTICLE I

The MoU involves collaboration between Accent Techno Soft (ATS), and Department of Computer Science and Business Systems, NIET in related disciplines.

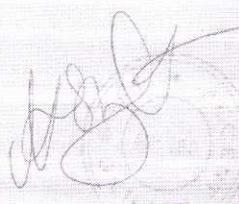

The MoU-Partners shall seek to promote:

1. Technical knowledge upgrading of Students and Staff (Faculty and Undergraduate, Post Graduate & Doctoral Students) for the mutual benefit of both MoU-Partners.
2. Facilitate Students for pursuing Internship and Inplant training for mutual benefit of both MoU-Partners.
3. Collaboration in Teaching, Research & Development, and Consultancy Activities.
4. Exchange of Academic and Research Material and Publication/IPs.
5. Cooperation in Projects and Research Activities of mutual interest.
6. Collaboration in Research & Development in the areas of Computational Fluid Dynamics, and Structural Dynamics.
7. Publication of Research Paper in International Scientific Journal and in the Conferences.
8. Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Partners, as applicable and mutually agreed in writing specifically for the purpose.
9. Writing Books/Booklets jointly in the areas of mutual interest.

Page 2 of 6

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE II

The activities under this MoU will include:

1. Staff Exchange

Staff Exchange activities cover visits to either organizations for any of the following purposes:

- (i) Undertaking Joint Research
- (ii) Attachment of Staff for purposes of Curriculum Development & Review, Attendance in Courses and Upgrading of Teaching & Research Skill
- (iii) Participation in Seminars, Workshops and other types of academic discussions
- (iv) Contributions of Teaching Programmes
- (v) Co-supervision of Graduate Students
- (vi) Conduct study tours, joint consultancy and research work.

2. Student Exchange:

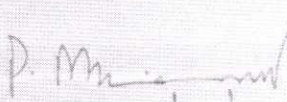

Student Exchange activities (for Undergraduate) cover visits to either institution for any of the following purposes:

- (i) Participation in Workshop.
- (ii) Internships for B.E, M.E Students at Accent Techno Soft (ATS).
- (iii) Inplant training and project work for B.E, M.E Students at Accent Techno Soft (ATS),
- (iv) Industrial visit to B.E, M.E Students at Accent Techno Soft (ATS)

3. Exchange of Academic Materials:

Exchange of relevant Academic Materials will be carried-out subject to mutual agreement of both MoU-Partners.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE III

Implementation of cooperation based on this MoU shall be dealt with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

The MoU shall remain in force for a period of 3 (Three) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other institution. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.

ARTICLE VII

Both the Accent Techno Soft (ATS), and Department of Computer Science and Business Systems, NIET reserve the right to terminate this MoU by either organization giving 2 (Two) months written notices to the other. Where such termination occurs, the provisions of the MoU shall continue to apply to ongoing activities until their completion.

ARTICLE VIII

Participating staff and students involved in any activities under this MoU must adhere to the law of the country and rules & regulations of the host MoU-Partners.

ARTICLE IX

Accent Techno Soft (ATS), and Department of Computer Science and Business Systems, NIET welcome establishment of this MoU for cooperation and jointly agree to provisions as set out above. There are two copies of this MoU equally valid, one for each of MoU-Partners, effective from the date of its signing.

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this March 4th, 2023, by and between Aatral Associates, plot no 1A,F1, 12th street, Karthikeyapuram, Madipakkam, Chennai-600091, hereinafter referred to as Aatral and Department of Electrical and Electronics Engineering, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641 105, Tamil Nadu, India, Group hold ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to Work life exposure program and Fundamental training on four prominent sectors for outgoing students

WHEREAS AATRAL and NIET desire to enter into an agreement in which AATRAL and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS AATRAL and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project.

P. Manharasan
Dr. P. MANHARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract between AATRAL and NIET to provide awareness and training for outgoing students on the real time work environments and Fundamental job training on four prominent sectors namely Energy Audit/Management, Property/Facility Management, HVAC&R and Engineering Maintenance (Program details are given in Annexure 1)

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

a. Services to be rendered by AATRAL include:

- To organize Value Added Training programs/Seminar to NIET Engineering department students of the college to enlighten them on real time work life environment and fundamental training on four sectors
- To provide opportunities for the Electrical and Electronics Engineering students of the college to undergo Industrial trainings and In plant visits (Based on availability and acceptance from the contact industries of Aatrall associates)
- To provide Internship for best performing Individuals, (Can absorb few students for on field energy audit training based on requirement)
- To identify and help the college in the area of taking up R & D projects.

b. Services to be rendered by NIET include:

- To create the awareness among the students about the Topic of real time work life exposure and Fundamental training on four prominent sectors conducted by the AATRAL.
- To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the AATRAL.
- To train/pass on / Share the employees of AATRAL on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Dr. P. MANIWARAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

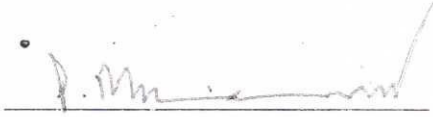

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Providing or Guiding NIET to the appropriate technical community / websites/ blogs for gathering technical updates in the field agreed mutually by both parties.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

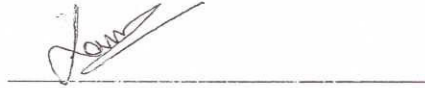

The following Partners support the goals and objectives of the Work life exposure program and Fundamental training on four prominent sectors for outgoing students.

Signatories

This Agreement shall be signed on behalf of Aatral Associates, plot no 1A,F1, 12th street, Karthikeyapuram, Madipakkam, Chennai-600091 by **Mr. Sambamurti** (Proprietor), Nehru Institute of Engineering and Technology by **Dr.P.Krishnakumar CEO & Secretary /NGI, Dr. P.Maniarasan, the Principal, NIET and Dr.R. MEMORANDUM OF UNDERSTANDING

Between
NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY
 AND
SHREE TECHNOLOGIES

Preamble

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY and SHREE TECHNOLOGIES believe that close cooperation between an industry and a technical Institution would be of considerable benefit. The budding Engineers could play a key role in technological up gradation, innovation and competitiveness of an industry. **SHREE TECHNOLOGIES** can give valuable inputs to the Institution suitably customize the curriculum and in teaching / training methodology so that the students fit into the industrial scenario meaningfully.

The cooperation will relate effective utilization of the intellectual capabilities of the Faculty of **Nehru institute of engineering and technology** providing significant inputs to them in developing suitable systems, keeping in mind the needs of the industry.

Dr. P. MANIARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105.

Dr. P. MANIARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105.

Scope of Co-operation

1. Both **Nehru institute of engineering and technology** and **SHREE TECHNOLOGIES** believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
2. Industry and institution interaction will give an insight into the latest developments / requirements of the industries. Hence the students can be moulded to meet the challenges.
3. The students will be permitted to field visit to increase the knowledge level.
4. Seminars / Webinars / Guest Lectures / Internships could be arranged from field personalities to share their knowledge with the students.
5. To have joint meetings with faculty and to discuss on various topics and the curriculum requirements relating to the industries.

The Memorandum

This Memorandum of Understanding entered into as of the 16th February 2023 between **Nehru institute of engineering and technology**, an Educational institution, situated at **Nehru Gardens, Nehru College Road, T.M Palayam, Coimbatore, Tamil Nadu 641105** and represented by **Dr. P. Maniarsan, Principal** hereinafter called **NIET** (Which expression shall include its successors and assigns) of the first part;

AND

SHREE TECHNOLOGIES, A Franchisee of Prolific Systems & Technologies Pvt. Ltd., a company registered and having its office at, First Floor, No. 3/84, New Scheme Road, P.N. Palayam, Coimbatore - 641037 and represented by, **Mr. R. Anantharaman, Managing Director**, hereinafter referred to as **SHREE**, which term shall mean and include, unless repugnant to the context and meaning thereof, its Successors, legal representatives and assigns, of the other part;

Whereas, is in the field of education, imparting knowledge to students aspiring to be Engineers and Technologists.

Whereas, **SHREE** is one of the reputed turnkey automation solutions provider and a leading Vocational training company with rich experience.

1. Recognizing the need to cultivate an industry and institution interaction, value addition and perpetual need to keep abreast with latest developments in the field of Automation Technology, the parties have agreed to enter into a **MOU**.
2. **SHREE** shall keep on updating the students of **NIET** College on the latest platforms on the Industrial Automation sector which include
 - Popular hardware and software
 - The Technological advancement
 - Automation solution providers in India
 - Job prospects for the students
 - The exact requirement of skill set expected out of the students
3. **NIET** College shall allow **SHREE** to conduct hands-on training on **PLC's, SCADA, and DCS. VFD, HMI, Pane designing, Embedded Systems and Advanced Mechanical Systems** at the College premises on mutually agreed chargeable basis.
4. **NIET** College shall provide infrastructure as required by **SHREE** for conducting training, lectures etc.
5. **SHREE** shall deliver special lectures on advanced topics.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the September 29, 2022 by and between

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY (NIET), Coimbatore, Tamil Nadu and represented herein by its Principal, Dr. P. Maniiasaran, (hereinafter referred to as "First Party", which expression, unless excluded by or repugnant to the subject or context shall include its successors in office, administrators and assigns)

AND

NEHRU COLLEGE OF ENGINEERING AND RESEARCH CENTRE (NCERC), PAMPADY, Thrissur, Kerala and represented herein by its Principal, Dr. T. Ambikadevi Amma, (hereinafter referred as "Second Party", which expression, unless excluded by or repugnant to the subject or context shall include its successors in office, administrators and assigns).

[Handwritten Signature]

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) The First Party is a self-financing Engineering College, approved by All-India Council for Technical Education (AICTE), New Delhi, affiliated to Anna University, Chennai, Accredited by NAAC (A+ Grade) & NBA, and also ISO 9001: 2015 & 14001:2015 certified and is functioning in the State of Tamil Nadu.
- B) The Second Party, is a self-financing Engineering College, approved by the All-India Council for Technical Education, (AICTE), New Delhi, affiliated to the A.P.J. Abdul Kalam Technological University, Trivandrum, Kerala, Accredited by NAAC (A Grade) & NBA and also ISO 9001: 2015 certified and is functioning in the State of Kerala.
- C) The Parties have discussed and agreed to enter into an academic collaboration between their Departments of Electrical and Electronics Engineering on academic/research and other areas of mutual interest in related disciplines for mutual benefit to the constituent stakeholders, particularly for their Students, Faculty Members and Research Scholars.
- D) The Parties therefore intent to cooperate and focus their efforts on cooperation within area of Teaching, Research & Development and Consultancy Activities.
- E) Both Parties, being legal entities by themselves desire to sign this MOU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

1. Both parties mutually agrees to collaborate in the following;
 - 1.1 Technical knowledge upgrading of Students and Staff (Faculty and Under Graduate, Post Graduate & Doctoral Students) for the mutual benefit of both MOU- Parties.
 - 1.2 Facilitate Students for pursuing Internship and Inplant training for mutual benefit of both MOU-Parties.
 - 1.3 Collaboration in Teaching, Research & Development, and Consultancy Activities.
 - 1.4 Exchange of Academic and Research Material and Publication/IPs.
 - 1.5 Cooperation in Projects and Research Activities of mutual interest.
 - 1.6 Collaboration in Research & Development in the areas of Power systems and Power Electronics and drives.
 - 1.7 Publication of Research Paper in International Journal and in the Conferences.
 - 1.8 Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventorship of Personnel/Students belonging to both MOU-Parties, as applicable and mutually agreed in writing specifically for the purpose.
 - 1.9 Writing Books/Book Chapters jointly in the areas of mutual interest.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

2. Nothing contained in this MOU will be construed as creating a joint venture, agency, partnership or employment relationship between the Parties hereto, nor will either Party have Right, Power or authority to create any obligation or duty, express or implied, on behalf of the other Party.
3. This MOU shall come into force from the Effective Date and remain valid till such time it is terminated by both the Parties by mutual agreement.
4. Both Parties may terminate this MOU upon 60 days prior notice in writing.
5. This MOU shall be governed by and construed according to the laws of the Republic of India and any dispute that may arise with regards to interpretations of and/or compliance of the role/responsibilities of the Parties with reference to this MOU shall be mutually discussed and resolved.

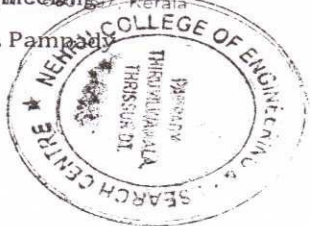

In witness whereof, the duly authorized representatives of the respective parties, have hereby approved and signed this MOU on the date first mentioned herein above in two identical originals, one for each party,

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is at Coimbatore on this Department of Management Studies, Nehru Institute of Engineering and Technology, Nehru Gardens, Thirumalampalayam, Coimbatore 641105 between Edify EdTech., having its corporate office at No. 6 Omsakti Nagar, Vilankurachi, Coimbatore - 641035, represented by its Edify EdTech, hereinafter called the PARTY of the FIRST PART

AND

Department of Management Studies, Nehru Institute of Engineering and Technology, Coimbatore having its office located at Nehru Gardens, Thirumalampalayam, Coimbatore 641105, represented by its Nehru Institute of Engineering and Technology, Coimbatore herein after called the PARTY of the SECOND PART.

It is effective upon signing and shall remain in effect for a period of three years or until termination by either party with 30 days written notice whichever is earlier. This agreement may also be extended / modified at the end of third year after review and need is felt for extension of the agreement.

imported by the mentors who are drawn from both the industry and the academic institutions of repute for the well-being of the student community. The future budding managers are blended with academic and experiential learning through outbound training practices. Periodical Guest lectures, Workshops and Conferences add values to the department. The department has produced nearly 400 MBA graduates from the year 2007.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

This Memorandum of Understanding is designed to reflect the understanding between Department of Management Studies, Nehru Institute of Engineering and Technology, herein after referred as PARTY of the SECOND PART, and Edify EdTech, herein after referred to as "Edify EdTech" providing / coordinating services to the staff and students and / or developing infrastructure facilities.

The Parties to this Memorandum have the following common objectives:

1. To assure right delivery of quality services at the appropriate time by the competent resource persons to the stakeholders.
2. To assure the application of services in a systematic way to have fruitful benefits to the stakeholders, and
3. To ensure always effective and efficient services for welfare and benefit of stakeholders.

WHEREAS

Edify EdTech,

Edify EdTech is registered under MSME. It's a young vibrant organization established with the vision of promoting financial literacy and financial market skills. Objectives are

- To impart education, training and consultancy in the area of financial markets to the aspirants wishing to become an entrepreneur / looking for a career in the Banking & Financial Services Industry.
- To provide financial literacy & empowerment to the general public to make use of the investment avenues in the economy.

Nehru Institute of Engineering and Technology

Nehru Institute of Engineering and Technology is a self-financing Engineering College, established in the year 2006, under the able leadership of Founder Chairman, Shri. P. K. Das is entering into its fifteenth successful year by marching ahead towards achieving the Vision and Mission of the Founder Chairman under the Guidance of the Most Respected Managing Trustee Adv. Dr.P.Krishna Das, and the Most Beloved CEO and Secretary Dr.P.Krishna Kumar. NIET has adopted academic reforms to become internationally recognized for the quality of its teaching and learning process, research, and student enrichment. It is aimed at inculcating scientific integrity and human values to expand the boundaries of technologies, creativity and human knowledge, generating new insights and improving the quality of life by which an individual is moulded into a true citizen.

Department of Management Studies

The Department of Management Studies was established in the year 2007 with the intake of 60 students under Nehru Institute of Engineering and Technology. The department is permanently affiliated with Anna University, Chennai in the academic year 2016 – 2017. We offer two years full time MBA programme with a commitment to provide career orientated superior quality of education, with dual specialization. We have excellent link with industries and also we engage our students to have continuous interaction with industry experts by visiting their work place. The curriculum is being imported by the mentors who are drawn from both the industry and the academic institutions of repute for the well-being of the student community. The future budding managers are blended with academic and experiential learning through outbound training practices. Periodical Guest lectures, Workshops and Conferences add values to the department. The department has produced nearly 400 MBA graduates from the year 2007.

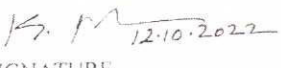

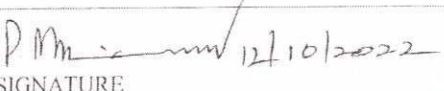

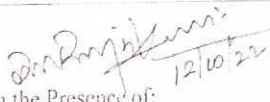

Objectives of MoU:

1. Edify EdTech and Collaborator, in joint co-operation, propose to organize workshops, Certification Courses (as mentioned in Annexure I) to provide knowledge and awareness about the Banking & Financial Market and thereby upgrade the skills and proficiency of the younger generation.
2. For this purpose, both the associations will explore to consider
 - a. Establishing channels for exchange of information, regarding the following topics
 - i. Corporate Training / Awareness Program for Corporates
 - ii. Investor Education / Community Development Program
 - iii. Financial Literacy Education to Rural Public
 - b. To conduct /co-host seminars for the securities market participants
 - c. To conduct jointly training program for the development of the stakeholders in the area of Banking & Financial markets.
 - d. To conduct joint research in the area of Financial markets

Both parties to this Memorandum agree to develop common reporting instruments wherever possible. In any event they intend to confer on the development of formats of various elements of respective systems of implementations.

Both parties shall safeguard the use of and access of information to which the services provided or arranging for services shall not use or release any reports, data or other information in accordance with the rules and regulations of Department of Management Studies, Nehru Institute of Engineering and Technology, Coimbatore and Edify EdTech. Such information shall be used only to assure proper planning, coordination, monitoring and administration of performance under this agreement, and permit the transfer of records to another, for the purpose of continuing services, with appropriate approval from the authority concerned.

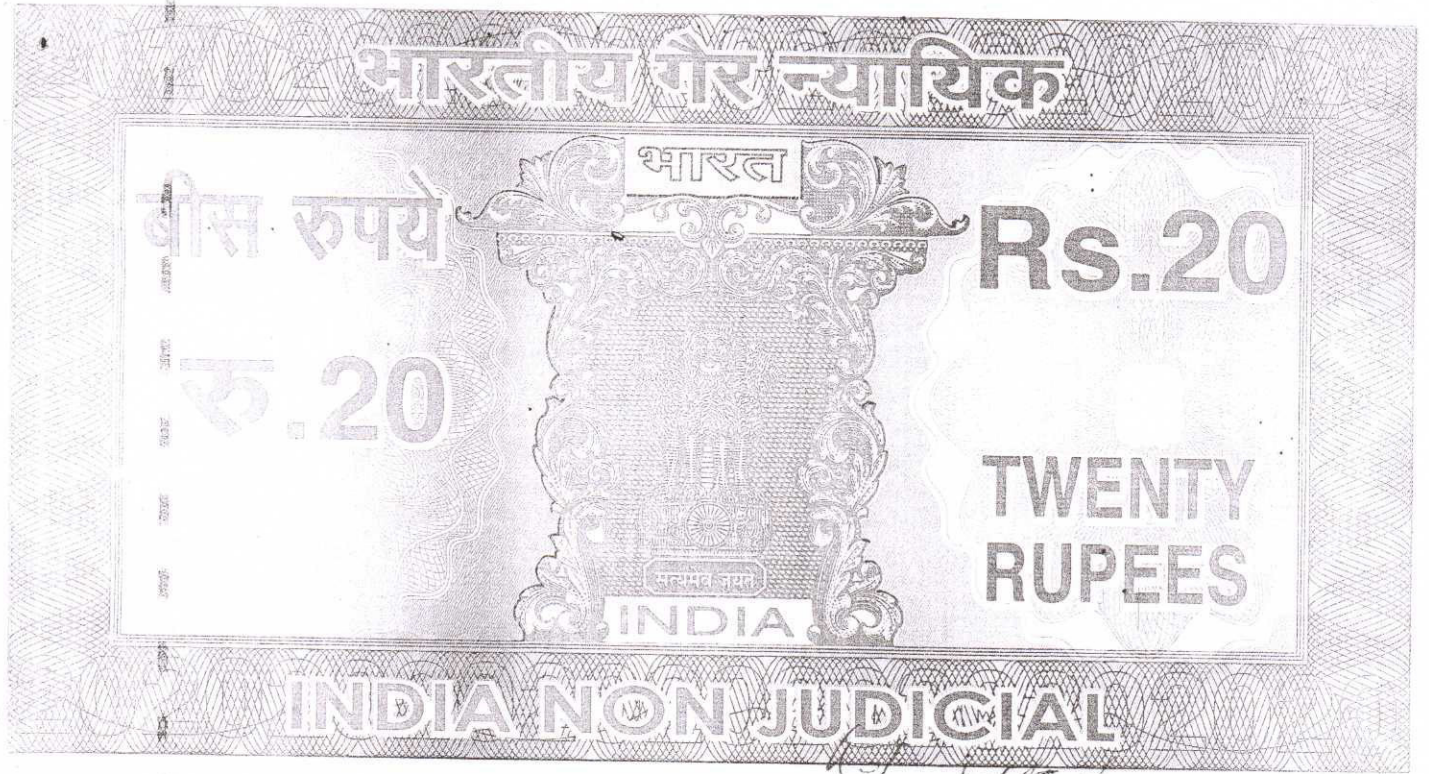

Edify EdTech and Department of Management Studies, Nehru Institute of Engineering and Technology, Coimbatore hereby agree to all of the above and enter into a joint agreement until such time either party shall amend or review the said agreement in writing.

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on 31.08.2023, by and between **IPCS Global**, Swathi Towers, Sowripalayam - Masakalipalayam Road, Opp. GRG Matriculation School, Periyar Nagar, Peelamedu, Hope College, Coimbatore, Tamil Nadu-641004 and **Department of Mechatronics Engineering**, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India. Nehru Institute of Engineering and Technology holds ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of Robotics technology, other engineering activities ranging from workshops and internships for students in the field of Industrial Automation.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

WHEREAS **IPCS Global** and **NIET** desire to enter into an agreement in which **IPCS Global** and **NIET** will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS **IPCS Global** and **NIET** are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between **IPCS Global** and **NIET** for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in field of **Industrial Automation, PLC, SCADA, DCS, HMI, VFD** training shall include, but not be limited to:

a. Services to be rendered by **IPCS Global** include:

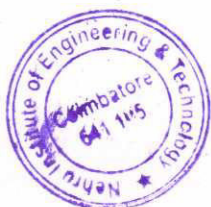

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of Designing components, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Technical Seminars for NIET Engineering department college students to enlighten them on Automation.
- To provide opportunities for the Mechatronics Engineering students of the college to undergo Industrial training and In-plant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

b. Services to be rendered by NIET include:

To create awareness among the students about the **Industrial Automation, PLC, SCADA, DCS, HMI, VFD, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by **IPCS Global**.

- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the **IPCS Global**.
- To train the employees of the **IPCS Global** on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

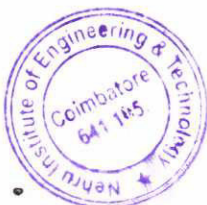

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on 29th March 2023, by and between HI-TECH CNC AUTOMATION, No 40, Chidambaram Nagar Saravanampatti, Near SRP Mills Coimbatore-641035 and Department of Mechatronics Engineering, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641105, Tamil Nadu, India. Nehru Institute of Engineering and Technology holds ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of Automation, other engineering activities ranging from workshops and internships for students in the field of Automation.

[Signature]
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

WHEREAS HI-TECH CNC AUTOMATION and NIET desire to enter into an agreement in which HI-TECH CNC AUTOMATION and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS HI-TECH CNC AUTOMATION and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between HI-TECH CNC AUTOMATION and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in Automation machining process shall include, but not be limited to:

a. Services to be rendered by HI-TECH CNC AUTOMATION include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of Automation machining process, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial Automation.
- To provide opportunities for the Mechatronics Engineering students of the college to undergo Industrial training and In-plant visits.
- To provide internships for best-performing Individuals.
- To identify and help the college in the area of taking-up R & D projects.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

b. Services to be rendered by NIET include:

- To create awareness among the students about the **Automation manufacturing, Training, and Development / Value added courses, Workshops, and Internships** conducted by HI-TECH CNC AUTOMATION.
- To provide classrooms/ LCD and audio facilities and laboratory facilities as required for the training by the HI-TECH CNC AUTOMATION.
- To train the employees of the HI-TECH CNC AUTOMATION on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

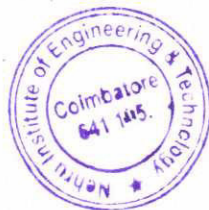

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Dr. P. MANIWARAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of the **Automation manufacturing, Training, and Development / Value added courses, Workshops, and Internships** will be provided to the students and faculty members in the form of workshops and internships.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Signatories

MEMORANDUM OF UNDERSTANDING

In furtherance of their mutual interest in the fields of education and research, Zeekers Technology Solutions PVT LTD, having its address at SSS TOWERS, 1st Floor, Behind Central Park Apartment, Sivanandhapuram, Coimbatore, Tamil Nadu-641035 and Department of Mechatronics Engineering, Nehru Institute of Engineering and Technology (NIET) having its registered address at Thirumalayampalayam, Coimbatore – 641105, Tamil Nadu, India, have entered into this Memorandum of Understanding (MoU) on this 03rd August 2023 as set forth below:

P. Maniarasan
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology of 6
T.M.Palayam, Coimbatore - 641 105.

ARTICLE I

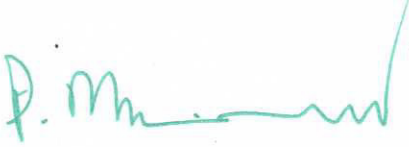

The MoU involves collaboration between **Zeekers Technology Solutions PVT LTD**, and Department of Mechatronics Engineering, NIET in related disciplines.

The MoU-Partners shall seek to promote:

1. Technical knowledge upgrading of Students and Staff (Faculty and Undergraduate, Post Graduate & Doctoral Students) for the mutual benefit of both MoU-Partners.
2. Facilitate Students for pursuing Internship and In-plant training for mutual benefit of both MoU-Partners.
3. Collaboration in Teaching, Research & Development, and Consultancy Activities.
4. Exchange of Academic and Research Material and Publication/IPs.
5. Cooperation in Projects and Research Activities of mutual interest.
6. Publication of Research Paper in International Scientific Journal and in the Conferences.
7. Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Partners, as applicable and mutually agreed in writing specifically for the purpose.
8. Writing Books/Booklets jointly in the areas of mutual interest.

Page 2 of 6

Dr. P. MANIHASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE II

The activities under this MoU will include:

1. Staff Exchange

Staff Exchange activities cover visits to either organizations for any of the following purposes:

- (i) Undertaking Joint Research
- (ii) Attachment of Staff for purposes of Curriculum Development & Review, Attendance in Courses and Upgrading of Teaching & Research Skill
- (iii) Participation in Seminars, Workshops and other types of academic discussions
- (iv) Contributions of Teaching Programmes
- (v) Co-supervision of Graduate Students
- (vi) Conduct study tours, joint consultancy and research work.

2. Student Exchange:

Student Exchange activities (for Undergraduate) cover visits to either institution for any of the following purposes:

- (i) Participation in Workshop.
- (ii) Internships for B.E, M.E Students at **Zeekers Technology Solutions PVT LTD.**
- (iii) In-plant training and project work for B.E, M.E, Students at **Zeekers Technology Solutions PVT LTD.**
- (iv) Industrial visit to B.E, M.E, Students at **Zeekers Technology Solutions PVT LTD**

3. Exchange of Academic Materials:

Exchange of relevant Academic Materials will be carried-out subject to mutual agreement of both MoU-Partners.

Page 3 of 6

P. Maniarasan

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105.

ARTICLE III

Implementation of cooperation based on this MoU shall be dealt with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

The MoU shall remain in force for a period of 3 (Three) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other institution. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.

Page 4 of 6

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE VII

Both the **Zeekers Technology Solutions PVT LTD**, and Department of Mechatronics Engineering, NIET reserve the right to terminate this MoU by either organization giving 2 (Two) months written notices to the other. Where such termination occurs, the provisions of the MoU shall continue to apply to ongoing activities until their completion.

ARTICLE VIII

Participating staff and students involved in any activities under this MoU must adhere to the law of the country and rules & regulations of the host MoU-Partners.

ARTICLE IX

Zeekers Technology Solutions PVT LTD, and Department of Mechatronics Engineering, NIET welcome establishment of this MoU for cooperation and jointly agree to provisions as set out above. There are two copies of this MoU equally valid, one for each of MoU-Partners, effective from the date of its signing.

WHEREAS Sun V Technology and NIET desire to enter into an agreement in which Sun V Technology and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS Sun V Technology and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between Sun V Technology and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in Designing components using Solid works process shall include, but not be limited to:

a. Services to be rendered by Sun V Technology include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of Designing components, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Designing components.
- To provide opportunities for the Mechatronics Engineering students of the college to undergo Industrial training and In-plant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking-up R & D projects.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

b. Services to be rendered by NIET include:

To create awareness among the students about the **Designing components using Solid works, CNC Machining process, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by Sun V Technology.

- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the Sun V Technology.
- To train the employees of the Sun V Technology on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 29th Day of September 2022 by and between

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY (NIET), Coimbatore, Tamil Nadu and represented herein by its Principal, Dr. P. Mani Arasan, (hereinafter referred to as "First Party", which expression, unless excluded by or repugnant to the subject or context shall include its successors in office, administrators and assigns)

AND

NEHRU COLLEGE OF ENGINEERING AND RESEARCH CENTRE (NCERC), PAMPADY, Thrissur,

and represented herein by its Principal, Dr. T. Ambikadevi Amma, (hereinafter referred as "Second Party", which expression, unless excluded by or repugnant to the subject or context shall include its successors in office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) The First Party is a self-financing Engineering College, approved by All-India Council for Technical Education (AICTE), New Delhi, affiliated to Anna University Chennai, Accredited by NAAC (A+ Grade) & NBA and also ISO 9001:2015 & 14001:2015 certified and is functioning in the State of Tamil Nadu.
- B) The Second Party, is a self-financing Engineering College, approved by the All-India Council for Technical Education, (AICTE), New Delhi, affiliated to the A.P.J. Abdul Kalam Technological University, Trivandrum, Kerala, accredited by NAAC (A Grade) & NBA and also ISO 9001: 2015 certified and is functioning in the State of Kerala.
- C) The Parties have discussed and agreed to enter into an academic collaboration between their Departments of Mechatronics Engineering on academic/research and other areas of mutual interest in related disciplines for mutual benefit to the constituent stakeholders, particularly for their Students, Faculty Members and Research Scholars.
- D) The Parties therefore intent to cooperate and focus their efforts on cooperation within area of Teaching, Research & Development and Consultancy Activities.
- E) Both Parties, being legal entities by themselves desire to sign this MOU for advancing their mutual interests.

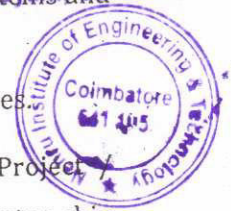

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

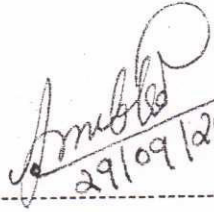

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

1. Both parties mutually agrees to collaborate in the following;
 - 1.1. Technical knowledge upgrading of Students and Staff (Faculty and Under Graduate, Post Graduate) of both MoU-Parties.
 - 1.2. Under Graduate, Post Graduate & Doctoral Students for the mutual benefit of both MoU-Parties.
 - 1.3. Facilitate Students for pursuing Internship and Inplant training for mutual benefit of both MoU-Parties.
 - 1.4. Collaboration in Teaching, Research & Development, and Consultancy Activities.
 - 1.5. Exchange of Academic and Research Material and Publication/IPs.
 - 1.6. Cooperation in Projects and Research Activities of mutual interest.
 - 1.7. Collaboration in Research & Development in the areas of Mechatronics systems and Robotics.
 - 1.8. Publication of Research Paper in International Journal and in the Conferences.
 - 1.9. Publication of Intellectual Properties (IPs) developed jointly through Project Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Parties, as applicable and mutually agreed in writing specifically for the purpose.
 - 1.10. Writing Books/Book Chapters jointly in the areas of mutual interest.
2. Nothing contained in this MOU will be construed as creating a joint venture, agency, partnership or employment relationship between the Parties hereto, nor will either Party have Right, Power or authority to create any obligation or duty, express or implied, on behalf of the other Party.
3. This MOU shall come into force from the Effective Date and remain valid till such time it is terminated by both the Parties by mutual agreement.
4. Both Parties may terminate this MOU upon 60 days prior notice in writing.
5. This MOU shall be governed by and construed according to the laws of the Republic of India and any dispute that may arise with regards to interpretations of and/or compliance of the role/responsibilities of the Parties with reference to this MOU shall be mutually discussed and resolved.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T. H. Peth, Coimbatore - 641 105.

In witness whereof, the duly authorized representatives of the respective parties, have hereby approved and signed this MOU on the date first mentioned herein above in two identical originals, one for each party,

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this March 4th, 2023, by and between Aatral Associates, plot no 1A, Pt. 12th street, Karthikeyapuram, Madipakkam, Chennai-600091, hereinafter referred to as Aatral and Department of Mechatronics Engineering, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641 105, Tamil Nadu, India, Group hold ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to Work life exposure program and Fundamental training on four prominent sectors for outgoing students

WHEREAS AATRAL and NIET desire to enter into an agreement in which AATRAL and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS AATRAL and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project.

P. Maniarasan
Dr. P. MANIARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M. Palayam, Coimbatore - 641 105.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract between AATRAL and NIET to provide awareness and training for outgoing students on the real time work environments and Fundamental job training on four prominent sectors namely Energy Audit/Management, Property/Facility Management, HVAC&R and Engineering Maintenance (Program details are given in Annexure 1)

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

- a. Services to be rendered by AATRAL include:
 - To organize Value Added Training programs/Seminar to NIET Engineering department students of the college to enlighten them on real time work life environment and fundamental training on four sectors
 - To provide opportunities for the Mechatronics Engineering students of the college to undergo Industrial trainings and In plant visits (Based on availability and acceptance from the contact industries of Aatral associates)
 - To provide Internship for best performing Individuals. (Can absorb few students for on field energy audit training based on requirement)
 - To identify and help the college in the area of taking up R & D projects.
- b. Services to be rendered by NIET include:
 - To create the awareness among the students about the **Topic of real time work life exposure and Fundamental training on four prominent sectors** conducted by the AATRAL.
 - To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the AATRAL.
 - To train/pass on / Share the employees of AATRAL on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Providing or Guiding NIET to the appropriate technical community / websites/ blogs for gathering technical updates in the field agreed mutually by both parties.
- This Memorandum will be effective upon the signature of both Partners.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105.

- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the Work life exposure program and Fundamental training on four prominent sectors for outgoing students.

Signatories

This Agreement shall be signed on behalf of Aatral Associates, plot no 1A,F1, 12th street, Karthikeyapuram, Madipakkam, Chennai-600091 by **Mr. Sambamurti** (Proprietor), Nehru Institute of Engineering and Technology by **Dr.P.Krishnakumar** CEO& Secretary /NGI, **Dr. P.Maniarasan**, the Principal, NIET and **Dr.M.Maneswaran**,HoD/MCT. This Agreement shall be effective as of the date first written above.

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on 04th March 2023, by and between **Robotica FA Solutions (RFAS)**, 142/3-1; Bharathi street, Udayampalayam Main Rd, PO, Chinnavedampatti, Coimbatore, Tamil Nadu 641049 and **Department of Mechatronics Engineering**, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India. Hereinafter, referred to as **RFAS**. Nehru Institute of Engineering and Technology holds ISQ 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of Robotics technology, other engineering activities ranging from workshops and internships for students in the field of Robotics technology.

[Signature]
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

WHEREAS RFAS and NIET desire to enter into an agreement in which RFAS and NIET will work together to provide Industrial Knowledge to students and faculty members.
AND WHEREAS RFAS and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between RFAS and NIET for the Center of Excellence.

Obligations of the Partners

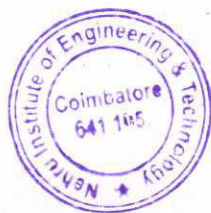

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in Robotics shall include, but not be limited to:

a. Services to be rendered by RFAS include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of Robotics technology, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial Automation.
- To organize short-term training programs in the field of Robotics
- To provide opportunities for the Mechatronics Engineering students of the college to undergo Industrial training and In-plant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

b. Services to be rendered by NIET include:

- To create awareness among the students about the **Topic of Robotics, powder coating in the field of Engineering, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by RFAS.
- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the RFAS.
- To train the employees of the RFAS on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

This MoU sets forth the terms and conditions of the partnership between CAD Solutions and NIET for providing CAD, Analysis, and CFD training to the students of NIET.

1. **Purpose:** CAD Solutions is associated with Industries in setting up and maintain their design offices and R&D centers. CAD Solutions is also TIER 1 partner for various CAD CAE tools OEM like SIEMENS, Dassaults and ANSYS Inc. The purpose of this MoU is to establish a partnership between CAD Solutions and NIET for the provision of transfer of knowledge acquired through industry interaction to students
2. **Scope:** CAD Solutions will provide CAD, FEA, and CFD applications training to NIET students
3. **Responsibilities of CAD Solutions:** CAD Solutions agrees to:
 - a. Provide CAD, FEA, and CFD training to the students of NIET through quality resources
 - b. Provide soft copy training materials related to the software and its applications
 - c. Certify the students of NIET who complete the courses successfully
4. **Responsibilities of NIET:** NIET agrees to:
 - a. Provide computer lab with relevant hardware for CAD, FEA, and CFD training
 - b. Explain the importance of CAD, FEA, and CFD training program to its students
 - c. Provide a list of students who wish to participate in the CAD, FEA, and CFD training
 - d. Collect and disburse the course fee from the participating students to CAD Solutions
5. **Total Course fee per students as follows:**
 - Any CAD Course - SolidWorks/CATIA/SOLIDEDGE/NX CAD – Rs.5000
 - Any FEA & CFD Courses - ANSYS / FLUENT -- Rs.5500

CAD Solution Fee per student as follows

 - Any CAD Course - SolidWorks/CATIA/SOLIDEDGE/NX CAD – Rs.2,950/- (Incl 18% GST)
 - Any FEA & CFD Course - ANSYS / FLUENT – Rs.3540 /- (Incl 18% GST)
6. **Duration:** This MoU will be effective from 16-FEB-2023 and will remain in effect for a period of Three (3) Years.

This Memorandum of Understanding is entered into and is effective as of 12/04/2024. The MoU shall be auto renewed on completion of every three years from the date of signing and will remain valid until either of the parties initiates the written termination.

The Memorandum of Understanding is signed between

The Department of Computer Science and Engineering, Nehru Institute of Engineering and Technology – Coimbatore, henceforth referred as First party

WiSkill stands for World Intended Skilling. It is a Talent Management Company engaged in Skilling, Assessment & Recruitment. Our diverse industry Verticals includes Medical, Hospitality, Trade skills, Agriculture, HR Services, Drones, Infrastructure, BFSI, Logistics, Electric Vehicles, IT Services & Renewable Energy, having registered office at No.21, 3rd Floor, Mani High School Teachers Layout, Nava India, SNR College Road, Coimbatore, Tamil Nadu – 641037, on behalf of itself and acting through Mr.Kalyana Saravanan Annathurai, Senior Coordinator, henceforth referred to as Second Party.

Scope of MoU

First party and Second party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.

Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests. And whereas, both the parties have expressed a common interest in providing industry relevant training to the Students, enhance their awareness, expand their industry connect and, in the process, increase their employability.

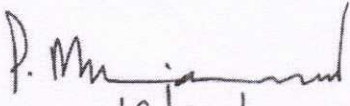

Now therefore, in consideration of the mutual promises set forth in this MoU, both parties hereto agree as follows:

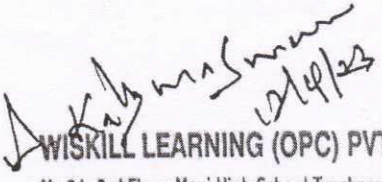

(1) Purpose

The purpose of this Memorandum of Understanding is to ensure functional Academic collaboration and share the knowledge and skills available in both the organizations. This MoU will also assist in joint consulting and projects to the Institution.

(2) Academic activities for Students

Second party will offer technical engagements like Workshops, Seminars, Webinars on related fields of the scope to the Students of the First party. Mutual agreement for training with projects, internships and consultancy will be made between two parties based on the interests of the Students in developing their skill sets.

12/04/2023

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

(3) Internships

Second party may offer Internship training on their domain expertise for the Students of the First party.

(4) Academic activities for Faculties

Second party will offer technical engagements like Workshops, Seminars on emerging Technologies and related fields of the scope to the students of the First party. Mutual agreement for training with projects, internships and consultancy will be made between two parties based on the interests of the Faculties in developing their skillsets

(5) Technical co-operation

Whenever desirable, both the parties may seek each other's technical co-operation with a view to promote the development of collaborative activities in the field of common interest.

(6) Additional engagements

In addition to the tasks mentioned above, the collaboration may also include the following:

- (i) Interaction with working groups of the industry so as to increase the Students as well as Staff knowledge and skill level
- (ii) Offering Technical expert lectures based on requirements
- (iii) Offering valuable inputs to the Institution as a feedback from the Industrial sector in respect of latest Technological development
- (iv) Offering guidance for suitable placement for Students
- (v) Offering certification programs in Blockchain, Cybersecurity and other emerging technologies
- (vi) Offering core training to the Students by setting up Centre of Excellence

Upon requirement, the commercial component of such specific engagements, will be mutually discussed by both parties and agreed upon accordingly.

(7) Responsibilities of the Parties

- Head of the Institute (HoD) and Head of the Industry have to be introduced while signing the MoU
- HoD should verify periodically (at-least once in 3 months) about the progress and outcomes
- HoD to facilitate interaction with Students and assist the Industry in enhancing the Student's progress
- Industry may provide mentoring to Faculty and Students for events like Hackathon, Ideathon etc.,

(8) Amendments

Both parties may request for any amendments of the present MoU. Any such amendments shall be adopted by mutual consent. Whenever required, an exchange of letter will detail the implementation of the amendment.

(9) Termination

Either party may terminate the present MoU by giving a month of written notice to other party. The obligation on the parties under the terms of their MoU shall be fulfilled within the notice period. The final obligation between the parties will also be settled within the notice period.

(10) Force Majeure

In the event of non-fulfilment of the contract terms and conditions due to any reason of force majeure, neither the First party nor the Second party shall be held responsible for any loss or consequential loss.

(11) Arbitration

Both parties shall attempt to settle all disputes through mutual discussions and negotiations. If the negotiations fail, then both parties will submit the dispute to an Arbitrator appointed jointly by both parties. The decision of the arbitrator shall be binding and final to both parties. Both parties will designate a representative from their side who will be the primary contact on behalf of that party. Both parties shall not use the name of the other party in any advertisement or make any public announcement unless as agreed.

This MoU shall be construed and governed by Indian Law and shall be subjected to exclusive jurisdiction of the Court in Coimbatore city.

MEMORANDUM OF UNDERSTANDING

BETWEEN

BCBUZZ TECHNOLOGIES PRIVATE LIMITED - COIMBATORE

AND

NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY - COIMBATORE

This Agreement made and entered into on this 04th day of November Month of the Year 2022 between BCBUZZ Technologies Private Limited, Coimbatore with its corporate office at VIYA Workspace, 36/1, Amman Nagar, Saravanampatty, Coimbatore - 641035, and Department of Computer Science, Nehru Institute of Engineering and Technology (Here after Department of

P. Mani Arasan
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

CSE,NIET) situated at Tirumalayampalayam, Coimbatore, Tamil Nadu 641105 an AICTE New Delhi Approved Institute, and Affiliated to Anna University Chennai, Recognized by UGC under section 2(f) and 12(B), Re-Accredited by NAAC "A+" & NBA an institute established in the year 2006.

OBJECTIVES OF THE MOU

This document outlines a strategic understanding between BCBUZZ Technologies Private Limited, Coimbatore and Department of CSE,NIET, Coimbatore to work together to offer the best Strategic Program in the field of Computer Application and Technology Development. The primary aim of this partnership is to aid NIET, Coimbatore, in establishing a high quality resource pools for the software Industry and able to design efficient academic curriculum activities.

AREAS OF COLLABORATION

- Industry based curriculum design and training.
- Setting up, operating & maintaining the infrastructure required for training.
- Workshops.
- Internship.
- Placement Assistance.
- Promotion of the software certification program among the students.
- Industry Visit.
- Consultancy.

Each of the above programs will be initiated by signing this agreement between the two parties.

MONITORING OF IMPLEMENTATION

A Co-ordination committee consisting of two faculty members of Department of CSE, NIET, Coimbatore and two officers nominated by BCBUZZ Technologies Private Limited will do the planning and monitoring of the implementation of the various aspects of this MoU. There will be an annual review. This review would primarily focus on the curriculum progress, faculty availability and certification.

➤ WORKSHOPS:

Technical Workshop: Each student will be provided one cutting edge technical workshops in an academic year. The topics of the event shall be shared to the HOD of the Department of CSE, NIET 10 days in advance. No topic shall be recurring unless and until stated by the management.

➤ **CERTIFICATION TRAINING:**

BCBUZZ Technologies Private Limited provides a certificate program and the duration of the training would be 80 hrs which can be taken either during week days or weekends.

➤ **OTHER EVENTS:**

- (a) National events related to new software technologies, seminars etc will be conducted, for which the approval shall be taken prior from the management and taken forward.
- (b) Consultancy for carrying out projects may be initiated by mutual agreements.

1. **CONFIDENTIALITY:**

- (a) During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- (b) The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party
 - is received from a third party having no obligations of confidentiality to the disclosing party,
 - is independently developed by the receiving party; or
 - is required to be disclosed by law or court order.

2. **NON-EXCLUSIVITY:**

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

CSE,NIET) situated at Tirumalayampalayam, Coimbatore, Tamil Nadu 641105 an AICTE New Delhi Approved Institute, and Affiliated to Anna University Chennai, Recognized by UGC under section 2(f) and 12(B), Re-Accredited by NAAC "A+" & NBA an institute established in the year 2006.

OBJECTIVES OF THE MOU

This document outlines a strategic understanding between BCBUZZ Technologies Private Limited, Coimbatore and Department of CSE,NIET, Coimbatore to work together to offer the best Strategic Program in the field of Computer Application and Technology Development. The primary aim of this partnership is to aid NIET, Coimbatore, in establishing a high quality resource pools for the software Industry and able to design efficient academic curriculum activities.

AREAS OF COLLABORATION

- Industry based curriculum design and training.
- Setting up, operating & maintaining the infrastructure required for training.
- Workshops.
- Internship.
- Placement Assistance.
- Promotion of the software certification program among the students.
- Industry Visit.
- Consultancy.

Each of the above programs will be initiated by signing this agreement between the two parties.

MONITORING OF IMPLEMENTATION

A Co-ordination committee consisting of two faculty members of Department of CSE, NIET, Coimbatore and two officers nominated by BCBUZZ Technologies Private Limited will do the planning and monitoring of the implementation of the various aspects of this MoU. There will be an annual review. This review would primarily focus on the curriculum progress, faculty availability and certification.

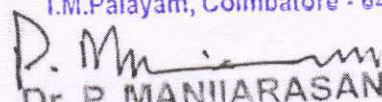

> WORKSHOPS:

Technical Workshop: Each student will be provided one cutting edge technical workshops in an academic year. The topics of the event shall be shared to the HOD of the Department of CSE, NIET 10 days in advance. No topic shall be recurring unless and until stated by the management.

Date: 14th October 2022

for the last four decades. It has emerged from the galaxy of Nehru group of Institutions. Nehru Group of Institutions has been contributing in the mission of transforming rural India into developed Nation by running Nehru Institute of Engineering and Technology at Coimbatore with innovation, creativity, human intelligence and patience. We have well equipped labs, workshops and libraries to help students in conquer highest standards in Academic, Research and Leadership Skills. The campus also has adequate sports Infrastructure to take care of Sports and recreational activities. The main focus of the Institution is to empower students with sound Knowledge, Wisdom, Experience and Training both at the Academic level of Engineering and in the highly Competitive Global Industrial market. The Infrastructure Facilities and State of the Art equipment's combined with a galaxy of Competent, Talented and Dedicated Faculty contribute to an enjoyable and an easy learning experience.

KVB International Energy Services pvt ltd was incorporated in 2018 by group of professionals in India and Singapore. It is committed to achieve a excellent customer service by providing unique value added functions that will complement the growth and profitability of customers through focusing on versatility, flexibility, reliability and other critical success factors of the customers. We are located in India, operation covers 8000 Square feet with more than 25 employees, housing a wide range of capabilities catering for various industries, including automotive, aerospace, oil gas and other industrial supplies.

Both the Institution and the organization/Industry enter into this formal statement of collaboration in the form of MOU for the purpose of Academic and industry interaction. Both the Institution and Company have found it mutually beneficial to explore the possibilities for collaborative activities for the following purposes:

- The students from the Department of Mechanical Engineering can play a key role in technological up-gradation, innovation, and competitiveness of an industry.
- Both parties MECH-NIET and KVB believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge and career prospects.
- KVB will associate as a Partner with MECH-NIET in academic and research collaboration.
- Collaboration in mutual interested training programs for developing trained man power in the areas of Manufacturing of KVB.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

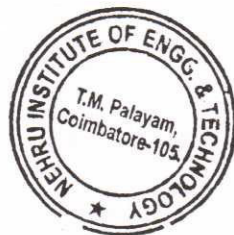

- To arrange joint collaborative research programs with more practical training between MECH-NIET and KVB.
- KVB and MECH-NIET undergo mutual Faculty/Students exchange programs for their research and skill development so that they can contribute significantly to the society.
- KVB will provide instrumentation exposure/ In-Plant Training for students of MECH-NIET.
- Both organizations will participate and organize in Joint Seminars/Training Programs and Meetings.
- It is understood that the details of joint activities/conditions for utilization of results achieved, arrangements for specific visits, exchange and all other form of cooperation will be handled on mutually agreeable terms for each specific case.
- There is no financial commitment on the part of either party in the scope of these initiatives offered by the KVB and MECH-NIET.
- Agreed to contribute on Collaboration in academic and Project / research activities between MECH-NIET and KVB.
- This Memorandum shall commence from the date of its signing and shall continue for a period of one year from the date thereof and be mutually renewed for successive period.
- KVB or MECH-NIET may terminate this MOU without cause 30 days prior notice.

MEMORANDUM OF UNDERSTANDING

In furtherance of their mutual interest in the fields of education and research, Ranba Castings Private Limited, having its address at SF No 495/A & 496/3, Sular Railway Feeder Road, Muthugoundenpudur, Coimbatore - 641402 and Department of Mechanical Engineering, Nehru Institute of Engineering and Technology (NIET) having its registered address at Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India, have entered into this Memorandum of Understanding (MoU) on this 23rd January 2023 as set forth below:

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Page 1 of 6

ARTICLE I

The MoU involves collaboration between Ranba Castings Private Limited and Department of Mechanical Engineering, NIET in related disciplines.

The MoU-Partners shall seek to promote:

1. Technical knowledge upgrading of Students and Staff (Faculty and Undergraduate, Post Graduate & Doctoral Students) for the mutual benefit of both MoU-Partners.
2. Facilitate Students for pursuing Internship and Inplant training for mutual benefit of both MoU-Partners.
3. Collaboration in Teaching, Research & Development, and Consultancy Activities.
4. Exchange of Academic and Research Material and Publication/IPs.
5. Cooperation in Projects and Research Activities of mutual interest.
6. Collaboration in Research & Development in the areas of Metal Casting and Testing.
7. Publication of Research Paper in International Scientific Journal and in the Conferences.
8. Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Partners, as applicable and mutually agreed in writing specifically for the purpose.
9. Writing Books/Booklets jointly in the areas of mutual interest.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE II

The activities under this MoU will include:

1. Staff Exchange

Staff Exchange activities cover visits to either organizations for any of the following purposes:

- (i) Undertaking Joint Research
- (ii) Attachment of Staff for purposes of Curriculum Development & Review, Attendance in Courses and Upgrading of Teaching & Research Skill
- (iii) Participation in Seminars, Workshops and other types of academic discussions
- (iv) Contributions of Teaching Programmes
- (v) Co-supervision of Graduate Students
- (vi) Conduct study tours, joint consultancy and research work.

2. Student Exchange:

Student Exchange activities (for Undergraduate) cover visits to either institution for any of the following purposes:

- (i) Participation in Workshop.
- (ii) Internships for B.E, M.E Students at Ranba Castings Private Limited.
- (iii) Inplant training and project work for B.E, M.E Students at Ranba Castings Private Limited
- (iv) Industrial visit to B.E, M.E Students at Ranba Castings Private Limited.

3. Exchange of Academic Materials:

- Exchange of relevant Academic Materials will be carried-out subject to mutual agreement of both MoU-Partners.

Page 3 of 6

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE III

Implementation of cooperation based on this MoU shall be dealt with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

The MoU shall remain in force for a period of 3 (Three) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE VII

Both the Ranba Castings Private Limited and Department of Mechanical Engineering, NIET reserve the right to terminate this MoU by either organization giving 2 (Two) months written notices to the other. Where such termination occurs, the provisions of the MoU shall continue to apply to ongoing activities until their completion.

ARTICLE VIII

Participating staff and students involved in any activities under this MoU must adhere to the law of the country and rules & regulations of the host MoU-Partners.

ARTICLE IX

Ranba Castings Private Limited and Department of Mechanical Engineering, NIET welcome establishment of this MoU for cooperation and jointly agree to provisions as set out above. There are two copies of this MoU equally valid, one for each of MoU-Partners, effective from the date of its signing.

WHEREAS **TECHIES** and **NIET** desire to enter into an agreement in which **TECHIES** and **NIET** will work together to provide Industrial Knowledge to students and faculty members.

transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between TECHIES and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible, and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in VR shall include, but not be limited to:

a. Services to be rendered by TECHIES include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of VR technology, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial Automation.
- To organize short-term training programs in the field of VR
- To provide opportunities for the Mechanical Engineering students of the college to undergo Industrial training and Inplant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

b. Services to be rendered by NIET include:

- To create awareness among the students about the **Topic of Virtual reality in the field of Engineering, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by TECHIES.
- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the TECHIES.
- To train the employees of the TECHIES on latest technologies and techniques.

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

negotiations, and memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of **Virtual reality in the field of Engineering, Product Development, Training, and Development / Value added courses** will be provided to the students and faculty members in the form of workshops and internships.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the virtual Reality Training:

Signatories

This Agreement shall be signed on behalf of **TECH INNOVATION ENTHUSIASTIC SQUAD PVT. Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this February 2023, by and between **ROBOTICA FA SOLUTIONS (RFAS)**, 142/3-1; Bharathi street, Udayampalayam Main Rd, PO, Chinnavedampatti, Coimbatore, Tamil Nadu 641049. Hereinafter, referred to as RFAS. Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641105, Tamil Nadu, India, Group holds ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of VR technology, other engineering activities ranging from workshops and internships for students in the field of CAD (Anywhere in this document CAD means Computer aided design).

whereas RFAS and NIET desire to enter into an agreement in which RFAS and NIET will work together to provide Industrial Knowledge to students and faculty members.

Dr. P. MANI ARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105.

agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between RFAS and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible, and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in VR shall include, but not be limited to:

a. Services to be rendered by RFAS include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of VR technology, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial Automation.
- To organize short-term training programs in the field of CAD
- To provide opportunities for the Mechanical Engineering students of the college to undergo Industrial training and Inplant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D

projects. b. Services to be rendered by NIET include:

- To create awareness among the students about the **Topic of CAD in the field of Engineering, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by RFAS.
- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the RFAS.
- To train the employees of the RFAS on latest technologies and techniques.

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg & Technology

transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

negotiations, and memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of **CAD in the field of Engineering, Product Development, Training, and Development / Value added courses** will be provided to the students and faculty members in the form of workshops and internships.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the CAD Training:

Signatories

This Agreement shall be signed on behalf of **ROBOTICA FA SOLUTIONS (RFAS)**, 142/3-1; Bharathi street, Udayampalayam Main Rd, PO, Chinnavedampatti, Coimbatore, Tamil Nadu 641049 and Nehru Institute of Engineering and Technology by Dr. P.Maniarasan, the Principal, NIET and Dr. M Santhosh, HoD/MECH, and Mr.A.S.Rajan, Assistant Professor/MECH. This Agreement shall be effective as of the date first written above.

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this March 2023, by and between Aadhibagavan Powder Coating (APC), No.35/1, Nallampalayam Road, Sanganoor, Ganapathy, Coimbatore, Tamil Nadu 641027 and Department of Mechanical Engineering, Nehru Institute of Engineering and Technology, Thimulayampalayam, Coimbatore - 641105, Tamil Nadu, India. Hereinafter, referred to as APC. Nehru Institute of Engineering and Technology holds ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of manufacturing technology, other engineering activities ranging from workshops and internships for students in the field of manufacturing technology.

P. Mani Arasan
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

WHEREAS APC and NIET desire to enter into an agreement in which APC and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS APC and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between APC and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

a. Services to be rendered by APC include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of manufacturing technology, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial Automation.
- To organize short-term training programs in the field of manufacturing
- To provide opportunities for the Mechanical Engineering students of the college to undergo Industrial training and Inplant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

b. Services to be rendered by NIET include:

- To create awareness among the students about the **Topic of manufacturing, powder coating in the field of Engineering, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by APC.
- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the APC.
- To train the employees of the APC on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as **Dr. P. MANIARASAN** entered into on this day of 4th of September, Two Thousand and Twenty-Three Principal Nehru Institute of Engg. & Technology T.M.Paiyam, Coimbatore - 641 106 (04/09/2023), by and between

DEPARTMENT OF MECHANICAL ENGINEERING, NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY, COIMBATORE, THE FIRST PARTY, represented herein by its NIET (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

AND

UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED , CHENNAI THE SECOND PARTY, and represented herein by its Founder, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

R. [Signature]

[Signature] 04/09/2023

(First Party and Second Party are herein after jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution named:
(1) **MECHANICAL Engineering, Nehru Institute of Engineering and Technology**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to co-operate and focus their efforts on co-operation within area of Exchange of Expertise, shaping Curriculum / Pedagogy Planning& Review, Projects, Internships, Hackathon and similar activities to improve Quality of Education and Industry – Institute Interaction.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **(2) UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED, CHENNAI**, the Second Party is engaged in Business, Skill Development, and Outcome based trainings, Internships, Placement, training, Research and Development related services in the fields of **Engineering and Technology**.
- F) **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED, CHENNAI**, the Second Party is promoted by Mr. Mohamed Sherfuddin R, No:447/265, 3rd Floor, Poonamallee High Road, Aminjikarai, Chennai – 600 029, Tamil Nadu, Leading MEP & BIM with its HQ in Chennai, Tamil Nadu, India. We strive to surpass the competition in quality, innovation, maximize the uptime and safety of industries.
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MOU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Nehru Institute of Engineering and Technology and its related wings. The Parties shall keep each Other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105.

inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof. In case of any future specific engagements, the Parties will sign a separate agreement as the case maybe.

CLAUSE 2

SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the pedagogy so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries, the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Mechanical, Electrical and Plumbing (MEP) and Building Information Modelling (BIM)**.
- 2.5 **Skill Development Programs:** Second Party to guide and train the Faculty of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.5 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.6 **Faculty Development Programs:** Second Party to train the Faculty members of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.7 **Internship & Placement Training of Students:** Second Party will actively engage to help the delivery of the training of students of the First Party into internships/jobs for the students, where feasible. The Second Party will itself absorb at least percentage of the trained students as Interns.

Dr. P. MANIARASAN

Principal
T.M.Palayam, Coimbatore - 641 105.

- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein
- 2.9 There is no financial commitment on the part of the **Nehru Institute of Engineering and Technology**, the First Party to take up any programme mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or Otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the Other Party.

CLAUSE 4

VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during the period of 3 years from the date of signing. **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED**, Chennai the Second Party, as the case may be, will take effective Steps for implementation of this MOU. Any act on the part of **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED**, Chennai the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their Obligations

CLAUSE 5

RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the Other Party's name in any way, to make any representations or create any Obligation or liability, expressed or implied, on behalf of the Other Party, without the prior written consent of the Other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the Other Party, to pledge the Other Party's credit, or to extend credit on behalf of the Other Party.

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this October 10th, 2022, by and between acPRO Technologies, Coimbatore, 641009 hereinafter referred to as acPRO, Department of Electronics and Communication Engineering, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641 105, Tamil Nadu, India, Group hold ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the Artificial Intelligence, Networking, Programming, Robotics and Automation and Embedded Technologies.

WHEREAS acPRO and Department of ECE, NIET desire to enter into an agreement in which acPRO and Department of ECE, NIET will work together to provide Industrial Knowledge to students and faculty members..0

P. Mani
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105

AND WHEREAS acPRO and Department of ECE, NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between acPRO and Department of ECE , NIET.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

- a. Services to be rendered by acPRO include:
 - To supply tools/techniques to the college.
 - To organize Value Added Courses/Short term courses/Internships/Workshop/Seminar to Department of ECE students of the college to enlighten them on the Industrial Automation.
 - To organize short term training programs on Industrial Automation Tools & Applications.
 - To provide opportunities for the Electronics and Communication Engineering students of the college to undergo Industrial trainings and Inplant visits.
 - To provide Internship for best performing Individuals.
 - To identify and help the deptment in the area of taking up R & D projects.
- b. Services to be rendered by Department of ECE ,NIET include:
 - To create the awareness among the students about the Topic of Artificial Intelligence, Programming, Robotics & Automation and Selection of materials conducted by the ACPRO.
 - To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the ACPRO.
 - To train the employees of the ACPRO on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 5 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of **Artificial Intelligence, Programming, Robotics & Automation, Selection of materials** will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.

Dr. P. MANIWARAN
Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 194.

- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

Signatories

This Agreement shall be signed on behalf of acPRO Technologies, Coimbatore by Director and on behalf of ACPRO, Department of ECE, Nehru Institute of Engineering and Technology by Dr. P.Maniarasan, the Principal, NIET and Dr.V.Jayaraj,HoD/ECE and Mr.T.Prabu, AP/ECE. Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this 13th February 2023, by and between **TECH INNOVATION ENTHUSIASTIC SQUAD PVT. LTD**, NGI TBI, Nehru Group of Institutions, Thirumalayampalayam, 64115. Hereinafter, referred to as **TECHIES**. Nehru Institute of Engineering and Technology, Department of Electronics and Communication Engineering, Thirumalayampalayam, Coimbatore – 641105, Tamil Nadu, India, Group holds ISO 9001-2000 Certification for quality and systems hereinafter referred to as **NIET ECE** for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of VR technology, other engineering activities ranging from workshops and internships for students in the field of VR (Anywhere in this document VR means Virtual Reality).

WHEREAS **TECHIES** and **NIET ECE** desire to enter into an agreement in which **TECHIES** and **NIET** will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS **TECHIES** and **NIET ECE** are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

J. A. Jayaraj
13/2/2023

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between TECHIES and NIET ECE for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible, and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in VR shall include, but not be limited to:

- a. Services to be rendered by TECHIES include:
 - In NIET ECE premises for this purpose and assist in training their students in acquiring the necessary skills in domains of VR technology, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET ECE with an engineering degree.
 - To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET ECE Engineering department college students to enlighten them on Industrial Automation.
 - To organize short-term training programs in the field of VR
 - To provide opportunities for the Electronics and Communications Engineering (ECE) students of the college to undergo Industrial training and Inplant visits.
 - To provide Internships for best-performing Individuals.
 - To identify and help the college in the area of taking up R & D projects.
- b. Services to be rendered by NIET ECE include:
 - To create awareness among the students about the **Topic of Virtual reality in the field of Engineering, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by TECHIES.
 - To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the TECHIES.
 - To train the employees of the TECHIES on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent

Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this January 25th, 2023, by and between YOI Robotics Laboratory, 43 S/B, opp to Avila convent, Sri Sai Complex, Thadagam road, Venkitapuram, Coimbatore-641025 hereinafter referred to as TAC and AIRA, Department of Electronics and Communication Engineering, Nehru Institute of Engineering and Technology, Thimulayampalayam, Coimbatore - 641 105, Tamil Nadu, India, Group hold ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the Artificial Intelligence, Robotics and Automation Training (Any where in this document Project means Automation training)

WHEREAS TAC and Department of ECE, NIET desire to enter into an agreement in which TAC and Department of ECE, NIET will work together to provide Industrial Knowledge to students and faculty members.

ARUN BALAJI
Chief Executive officer
Yoi Robotics Laboratory
43S/B, Opp to Avila Convent,
Thadagam Road, Venkatapuram
Coimbatore - 641 025.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Principal
Nehru Institute of Engg. & Technology

AND WHEREAS TAC and Department of ECE, NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between TAC and Department of ECE , NIET.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

- a. Services to be rendered by TAC include:
 - To supply tools/techniques to the college.
 - To organize Value Added Courses/Shrot term courses/Internships/Workshop/Seminar to Department of ECE students of the college to enlighten them on the Industrial Automation.
 - To organize short term training programs on Industrial Automation Tools & Applications.
 - To provide opportunities for the Electronics and Communication Engineering students of the college to undergo Industrial trainings and Inplant visits.
 - To provide Internship for best performing Individuals.
 - To identify and help the deptment in the area of taking up R & D projects.
- b. Services to be rendered by Department of ECE ,NIET include:
 - To create the awareness among the students about the **Topic of Artificial Intelligence, Programming, Robotics & Automation and Selection of materials** conducted by the TAC.
 - To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the TAC.
 - To train the employees of the TAC on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

ARUN BALAJI
Chief Executive officer
Yoi Robotics Laboratory
433/B, Opp to Avila Convent,
Thadagam Road, Venkatapuram
Coimbatore - 641 025.

Dr. P. MANIWARAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 5 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of **Artificial Intelligence, Programming, Robotics & Automation, Selection of materials** will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.
