Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this August 10th, 2023, by and between Embuzz Technologies Private Limited, #1627, III Floor, Manis Towers, Hope College, Peelamedu, Coimbatore 641004 hereinafter referred to as Embuzz and Department of ECE, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641 105, Tamil Nadu, India, Group hold ISO 9001-2000 Certification for quality and systems hereinafter referred to as NIET for the purpose of achieving the various aims and objectives relating to the Internet of Things, Embedded Systems, Robotics and Automation.

[Handwritten Signature]
Dr. P. MANIARASAN
 Principal

WHEREAS EMBUZZ and NIET desire to enter into an agreement in which EMBUZZ and NIET will work together to provide Industrial Knowledge to students and faculty members.

Nehru Institute of Engg & Technology
 T.M.Palayam, Coimbatore - 641 105.

AND WHEREAS EMBUZZ and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partner agree necessary to execute the Project.

[Handwritten Signature]
Dr. P. MANIARASAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing, if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

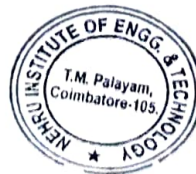

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

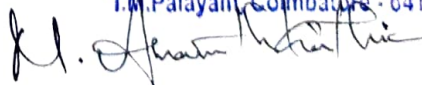

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of Internet of Things, Embedded Systems, Robotics will be provided to the students and faculty members in the form of workshops.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between EMBUZZ and Department of ECE, NIET.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the Project shall include, but not limited to:

a. Services to be rendered by EMBUZZ include:

- To supply tools/techniques to the college.
- To organize Value Added Courses/Short term courses/Internships/Workshop/Seminar to NIET Engineering department students of the college to enlighten them on the Industrial Automation.
- To organize short term training programs on Internet of Things, Embedded Systems, Robotics.
- To provide opportunities for the Electronics and Communication Engineering students of the college to undergo Industrial trainings and Inplant visits.
- To provide Internship for best performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

b. Services to be rendered by NIET include:

- To create the awareness among the students about the Topic of Internet of Things, Embedded Systems, Robotics conducted by the EMBUZZ.
- To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the EMBUZZ.
- To train the employees of the EMBUZZ on latest technologies and techniques.

Communication Strategy

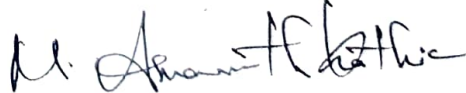

Marketing of the vision and any media or other public relations conEmbuzzt should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this day of 04th day September Two Thousand and Twenty-Three (04/09/2023) by and between

Electronics and Communication Engineering, Nehru Institute of Engineering and Technology, THE FIRST PARTY, represented herein by the NIET (herein after referred as 'First Party', the Institution which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

AND

UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED, CHENNAI THE SECOND PARTY, and represented herein by its Founder, (hereinafter referred as "Second Party", Company which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

R. Anthony

P. Maniwaran

04/09/2023

(First Party and Second Party are herein after jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution named:
(1) **Electronics and Communication Engineering, Nehru Institute of Engineering and Technology**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to co-operate and focus their efforts on co-operation within area of Exchange of Expertise, shaping Curriculum / Pedagogy Planning& Review, Projects, Internships, Hackathon and similar activities to improve Quality of Education and Industry – Institute Interaction.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) (2) **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED, CHENNAI**, the Second Party is engaged in Business, Skill Development, and Outcome based trainings, Internships, Placement, training, Research and Development related services in the fields of **Engineering and Technology**.
- F) **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED,CHENNAI**, the Second Party is promoted by Mr.Mohamed Sherfuddin R, No:447/265, 3rd Floor, Poonamallee High Road, Aminjikarai, Chennai – 600 029, Tamil Nadu, Leading MEP & BIM with its HQ in Chennai, Tamil Nadu, India. We strive to surpass the competition in quality, innovation, maximize the uptime and safety of industries.
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MOU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

Dr. P. MANIARASAN

Principal
Nehru Institute of Engineering & Technology
- 641 105.

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Nehru Institute of Engineering and Technology and its related wings. The Parties shall keep each Other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant

inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall co-operate with each, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof. In case of any future specific engagements, the Parties will sign a separate agreement as the case maybe.

CLAUSE 2

SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the pedagogy so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries, the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Mechanical, Electrical and Plumbing (MEP) and Building Information Modelling (BIM)**.
- 2.5 **Skill Development Programs:** Second Party to guide and train the Faculty of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.5 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.6 **Faculty Development Programs:** Second Party to train the Faculty members of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.7 **Internship & Placement Training of Students:** Second Party will actively engage to help the delivery of the training of students of the First Party into internships/jobs for the students, where feasible. The Second Party will itself absorb at least percentage of the trained students as Interns.

Dr. P. MANIWARAN
Principal

Nehru Institute of Engg & Technology
T.M. Palayam, Coimbatore - 641 004

- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein
- 2.9 There is no financial commitment on the part of the **Nehru Institute of Engineering and Technology**, the First Party to take up any programme mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or Otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the Other Party.

CLAUSE 4

VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during the period of 3 years from the date of signing. **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED**, Chennai the Second Party, as the case may be, will take effective Steps for implementation of this MOU. Any act on the part of **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED**, Chennai the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their Obligations

CLAUSE 5

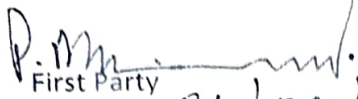

RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the Other Party's name in any way, to make any representations or create any Obligation or liability, expressed or implied, on behalf of the Other Party, without the prior written consent of the Other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the Other Party, to pledge the Other Party's credit, or to extend credit on behalf of the Other Party.

Any divergence or difference derived from the interpretation of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head

D.P. MANI ARASAN
Principal

MEMORANDUM OF UNDERSTANDING

In furtherance of their mutual interest in the fields of education and research, Bhaskara Engineering Services Private Limited, having its address at 597, Alagiri Swamy Salai, K. K. Nagar, Chennai 600078, Tamil Nadu, India and Department of Aeronautical Engineering, Nehru Institute of Engineering and Technology (NIET) having its registered address at Thirumalayampalayam, Coimbatore – 641105, Tamil Nadu, India, have entered into this Memorandum of Understanding (MoU) on this 15th day of September 2023 as set forth below:

Page 1 of 6

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

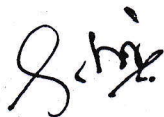

ARTICLE I

The MoU involves collaboration between Bhaskara Engineering Services Private Limited and Department of Aeronautical Engineering, NIET in related disciplines.

The MoU-Partners shall seek to promote:

1. Technical knowledge upgrading of Students and Staff (Faculty and Under Graduate, Post Graduate & Doctoral Students) for the mutual benefit of both MoU-Partners.
2. Facilitate Students for pursuing Internship and Implant training for mutual benefit of both MoU-Partners.
3. Collaboration in Teaching, Research & Development, and Consultancy Activities.
4. Exchange of Academic and Research Material and Publication/IPs.
5. Cooperation in Projects and Research Activities of mutual interest.
6. Collaboration in Research & Development in the areas of Computational Fluid Dynamics, and Structural Dynamics.
7. Publication of Research Paper in International Scientific Journal and in the Conferences.
8. Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Partners, as applicable and mutually agreed in writing specifically for the purpose
9. Writing Books/Booklets jointly in the areas of mutual interest.

Page 2 of 6

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE II

The activities under this MoU will include:

1. Staff Exchange

Staff Exchange activities cover visits to either organizations for any of the following purposes:

- (i) Undertaking Joint Research
- (ii) Attachment of Staff for purposes of Curriculum Development & Review, Attendance in Courses and Upgrading of Teaching & Research Skill
- (iii) Participation in Seminars, Colloquia and other types of academic discussions
- (iv) Contributions of Teaching Programmes
- (v) Co-supervision of Graduate Students
- (vi) Conduct study tours, joint consultancy and research work.

2. Student Exchange:

Student Exchange activities (for Under Graduate) cover visits to either institution for any of the following purposes:

- (i) Participation in Research
- (ii) Internships for B.E, M.E Students at Bhaskara Engineering Services Private Limited
- (iii) Inplant training and project work for B.E, M.E Students at Bhaskara Engineering Services Private Limited
- (iv) Industrial visit to B.E, M.E Students at Bhaskara Engineering Services Private Limited

Page 3 of 6

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

3. Exchange of Academic Materials:

Exchange of relevant Academic Materials will be carried-out subject to mutual agreement of both MoU-Partners.

ARTICLE III

Implementation of cooperation based on this MoU shall be dealt, with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

The MoU shall remain in force for a period of 2 (Two) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other institution. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.

Page 4 of 6

Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE VII

Both the Bhaskara Engineering Services Private Limited and Department of Aeronautical Engineering, NIET reserve the right to terminate this MoU by either organization giving 2 (Two) months written notices to the other. Where such termination occurs, the provisions of the MoU shall continue to apply to ongoing activities until their completion.

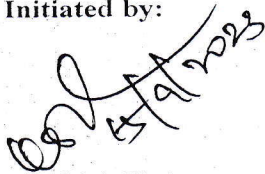

ARTICLE VIII

Participating staff and students involved in any activities under this MoU must adhere to the law of the country and rules & regulations of the host MoU-Partners.

ARTICLE IX

Bhaskara Engineering Services Private Limited and Department of Aeronautical Engineering, NIET welcome establishment of this MoU for cooperation and jointly agree to provisions as set out above. There are two copies of this MoU equally valid, one for each of MoU-Partners, effective from the date of its signing.

1.0 Purpose

The purpose of this MoU is

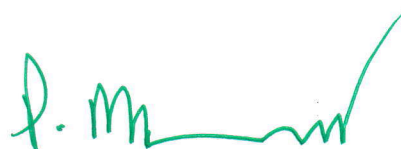

- To promote the mutual interest in the fields of research & consultancy and testing & certification.
- To jointly organize workshops, seminars and conferences in the emerging areas of Aeronautical Engineering
- To impart technical skills through employability enhancement programs to the students.

2.0 Types of Cooperation

Through this MoU, both parties affirm the value of industrial collaboration and agree to promote the following activities:

1. Joint research projects in fields of mutual interests
2. Opportunities for students to
 - a. Visit industry (short day visit)
 - b. Undergo in plant training/internship
 - c. Undertake projects
3. Opportunities for faculty members to visit industry and undergo training
4. Curriculum and syllabus development
5. Support for establishing laboratory at par with industry standards
6. Organizing workshops/seminar/symposium/conference/
Faculty Development programs
7. Other activities as mutually agreed.

This MoU places no financial obligations or supplementary funding commitments on either party. Such activities will be defined through separate program agreements that detail the commitment of resources (financial or otherwise) required by the Institution and Industry. Subsequent program agreements must be approved in writing by the authorized representatives of both parties.

Dr. P. MANIARASAN
Principal

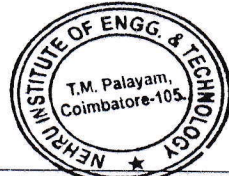

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

3.0 Terms

- 3.1 At Nehru Institute of Engineering and Technology, Coimbatore – 641 105 this MoU will be administered by Dr. P.Maniarasan, Principal (Institution Representative). At Dautya Aerospace Pvt Ltd, Goa this MoU will be administered by Mr.Prashant Radhakrishnan , CEO and founder (Industry Partner).
- 3.2 This MoU will become effective upon the date of signature by both Parties. It shall remain valid for a period of two (02) years from the date of the last signature, with the understanding that it may be modified by written mutual consent of both parties. This MoU may be terminated by either party with advance written notice of at least thirty (30) days. Upon notice of termination Dautya Aerospace Pvt Ltd and Nehru Institute of Engineering and Technology agree to work in good faith to enable visiting students/staffs to complete their respective academic work/research unhindered by the termination. The MoU may be extended by mutual consent of the two parties after the two-year period, and it must be renewed in writing.
- 3.3 This MoU may also involve parties by mutual consent, which may be added later by written addendum to this MoU.
- 3.4 The parties may enter into specific written agreements under authority of this MoU to clarify and define the nature, extent and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues.
- 3.5 Jurisdiction: Any dispute or difference arising between the parties in operation/effect of this MoU or breach thereof shall be settled through arbitration in accordance with the relevant arbitration Act in force at such time. The arbitration award shall be binding on both parties.
- 3.6 This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) copy remaining in the possession of each party.

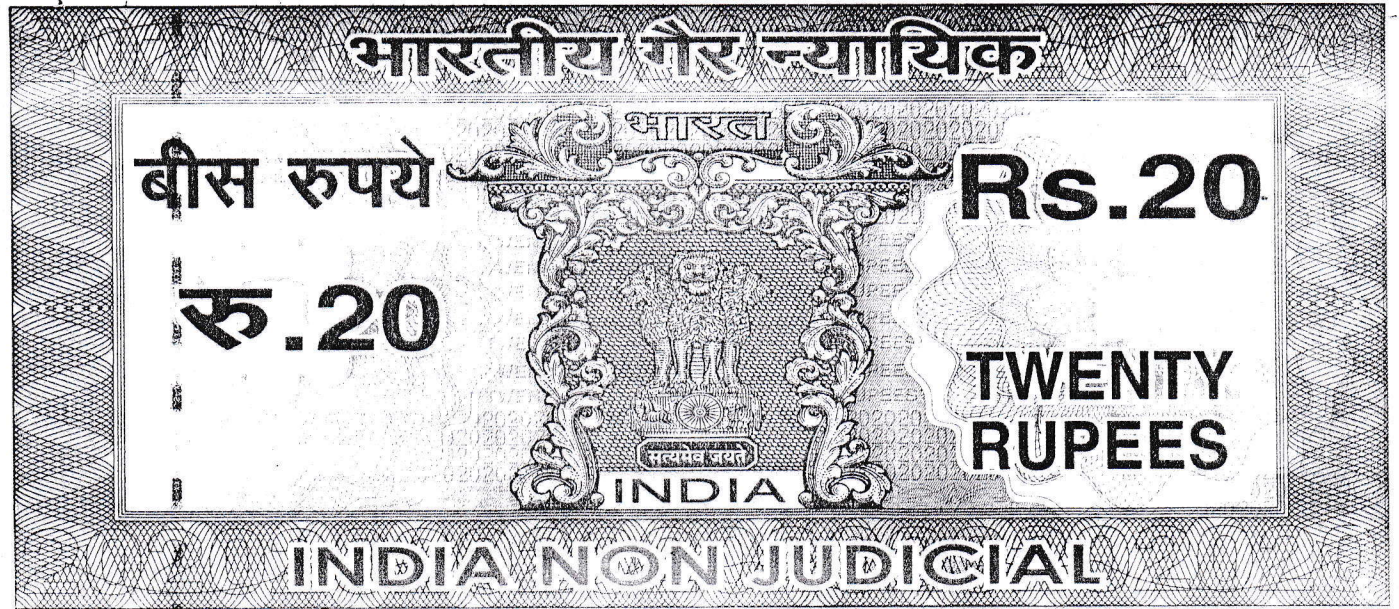

Dr. P. MANIARASAN
Principal

MEMORANDUM OF UNDERSTANDING

In furtherance of their mutual interest in the fields of education and research, the Department of Aeronautical Engineering, Nehru Institute of Engineering and Technology (NIET) having its registered address at Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India, (hereinafter referred to as the "DEPARTMENT" which expression shall where the context so admits include its successors and permitted assigns)

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

16/03/2022

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

and **Vibrant NDT Services Pvt Ltd**, having its registered address at **F-16, 2nd Cross Main Street, 2nd Main Rd, Ambattur Industrial Estate, Chennai, 600058, TamilNadu, India**, (hereinafter referred to as the "**ASSOCIATE**") which expression shall where the contest so admits include its successors and permitted assigns) have entered into this Memorandum of Understanding (MoU) to establish and develop the **Centre of Excellence in NON DESTRUCTIVE TESTING (NDT)** at Nehru Institute of Engineering and Technology premises.

Scope

WHEREAS the DEPARTMENT is, devoted to the advancement of Science and Technology in Aeronautical Engineering, Aerospace Engineering and other related disciplines, has approached The ASSOCIATE to establish and develop the Centre of Excellence and effective relationship in the larger interest of the domain. And, WHEREAS The ASSOCIATE is engaged in providing technical training, skill development, research and development, consultation and has strength in research project development and delivery, particularly in the area of **NON Destructive Testing (NDT)**, has agreed for this mutual association.

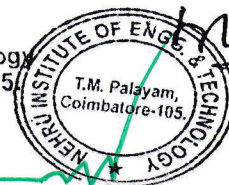

Now therefore in consideration of the previous and mutual covenants hereinafter contained, the parties hereto agree to jointly play an effective role in uplifting the Centre of Excellence through skill enhancement of the Faculty and Students through class room and industry specific practical training ensuring quality delivery towards excellence in CAE.

Objectives

1. Design, develop and deliver programmes ensuring required quality in **NON DESTRUCTIVE TESTING (NDT)** domain which in turn will lead to professional courses as per the industry requirements and making aspirants employable.

Dr. P. MANIARASAN
Principal

Handwritten date: 16/3/2022

2. To be quality skill enhancement partner and project integrator for the corporate and government agencies.
3. Faculty Development Programmes (FDP) for the institution and skill training partners.
4. Working closely with industry for establishing the curriculum as per its requirements and also with academia in order to enhance the quality of Technical and Engineering education.
5. Enhancing skills of students/aspirants through internship and vocational training.
6. Making efforts towards in developing the "Centre of Excellence" in order to enhance the competency level of aspirants and the faculty for Technical & Engineering education.

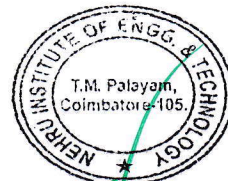

Role of the DEPARTMENT:

1. The DEPARTMENT, shall provide the available infrastructure & basic amenities such as Numerical Simulation laboratory, Discussion room, Printer, Electricity, Internet, etc. suitable and ready for delivering the training courses and other activities in conjunction with the ASSOCIATE in the scope.
2. The DEPARTMENT, shall provide a workable space/ room with basic amenities for the staff of the ASSOCIATE to facilitate Research& related activities for successful outcome of joint activities.
3. The DEPARTMENT, shall help to develop the Research and Development activities related to NDT through its existing established network and would support in all means.
4. The DEPARTMENT, shall nominate a coordinator as a point of contact for the ASSOCIATE for proper operation of the MoU.
5. The DEPARTMENT, shall treat the ASSOCIATE as a training partner for joint activities for mutual benefits.

16/03/2022

Role of the ASSOCIATE:

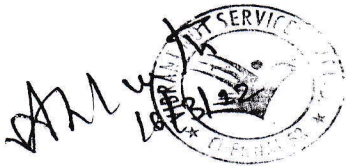

1. The ASSOCIATE shall utilize its strength to align with various skill development programmes and initiatives to meet the objectives of the DEPARTMENT. It shall accordingly design and deliver various programmes within the overall scope of MoU.
2. The quality delivery is the responsibility of the ASSOCIATE and the ASSOCIATE would have to have in-house or engage the required manpower and the faculty as per the requirement, in conjunction with the DEPARTMENT.
3. The ASSOCIATE shall design, develop and provide required course materials & practical training to the students.
4. The ASSOCIATE shall market the programmes to make them successful. It shall also guide and support the students for proper placement.

Joint Responsibilities:

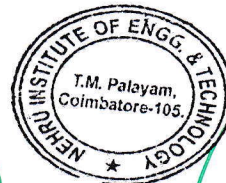

1. Marketing & mobilization of the students shall be carried out jointly as per mutual agreed terms.
2. Promotion for the programmes undertaken shall be advertised / propagated through respective websites of the parties.
3. Technical Conference within the scope of the MoU.
4. Technical workshops/ promotional workshops within the scope of the MoU.
5. Assessment of the courses shall be carried out jointly by both the parties.

Duration and Termination of Agreement

- ✓ MOU shall be effective from the date of signing and shall remain in force for a period of three years. It shall automatically be renewed for next two years until & unless discontinued by either party.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

16/3/2022

Dr. P. MANIARASAN

- ✓ The DEPARTMENT has the right to terminate the agreement for non-performance of the ASSOCIATE, based on half yearly detailed reviews.
- ✓ In case the ASSOCIATE intend to terminate the contract, it shall communicate the DEPARTMENT three months in advance and in addition it shall meet all its obligations for the running or announced batches. In case of even long duration batch (if any), it is obligation of the ASSOCIATE to make it successful.

Confidentiality

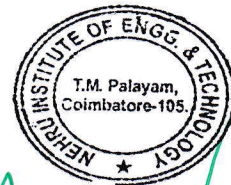

The DEPARTMENT agrees and confirms that all Intellectual Training Material shall at all-time vest in and remain with and belong to the ASSOCIATE and cannot be used for at least two years from the date of termination/ completion. The DEPARTMENT shall not be liable for any suit on account of demands for infringement of copyright etc. by the ASSOCIATE which has no nexus with the objective of the MoU.

General Provisions

1. Both the Parties have full power and authority to enter into this MoU and take any action execute any documents required by the terms hereof; and that this MoU, entered into has been duly and validly executed and delivered, and is a legal, valid, and binding obligation of, enforceable in accordance with the terms hereof; and that the executants of this MoU are duly empowered and authorized to execute this MoU and to perform all its obligations in accordance with the terms herein.
2. This agreement shall not be binding for any other agreement for either party. Parties shall be free and independent to carry on other services and trainings besides that covered under the scope of this agreement.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

Dr. P. MANIARASAN
Principal

MEMORANDUM OF UNDERSTANDING
FOR ACADEMIC AND INDUSTRY COOPERATION
BETWEEN
THE DEPARTMENT OF AERONAUTICAL ENGINEERING
NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY
AND
QUEEN INDIA ENGINEERING SERVICES

This Memorandum of Understanding (MoU) is entered into as of October 08, 2021, by and between the Department of Aeronautical Engineering of Nehru Institute of Engineering and Technology, Coimbatore -641 105 and Queen India Engineering Services,

NO.247, First Floor, KCL Building, Bhavani Main Rd, Asokapuram, Erode, Tamil Nadu 638004 (Industry Partner).

R. Mani Arasan

P. Mani Arasan

Dr. P. MANIARASAN

Principal

Nehru Institute of Enng & Technology

T.M.Palayam, Coimbatore - 641 105.

Purpose

The purpose of this MoU is

- To promote the mutual interest in the field of Welding Engineering and Quality assurance/Quality control
- To jointly organize workshops, seminars and conferences in the emerging areas of Aeronautical Engineering
- To impart technical skills through employability enhancement programs to the students.

Types of Cooperation

Through this MoU, both parties affirm the value of industrial collaboration and agree to promote the following activities:

1. Opportunities for students to
 - a. Visit industry (short day visit)
 - b. Undergo in plant training/internship
 - c. Undertake projects
 - d. Get placement assistance
2. Opportunities for faculty members to visit industry and undergo training
3. Curriculum and syllabus development
4. Support for establishing laboratory at par with industry standards
5. Organizing workshops/seminar/symposium/conference/
Faculty Development programs
6. Other activities as mutually agreed.

This MoU places no financial obligations or supplementary funding commitments on either party. Such activities will be defined through separate program agreements that detail the commitment of resources (financial or otherwise) required by the Institution and Industry. Subsequent program agreements must be approved in writing by the authorized representatives of both parties.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

Terms

At Nehru Institute of Engineering and Technology, Coimbatore - 641 105 this MoU will be administered by Dr. P.Maniarasan, Principal (Institution Representative). At M/s Queen India Engineering Services, NO.247, First Floor, KCL Building, Bhavani Main Rd, Asokapuram, Erode, Tamil Nadu 638004, this MoU will be administered by Mr. R.Manikandan, Managing Director (Industry Partner).

This MoU will become effective upon the date of signature by both Parties. It shall remain valid for a period of three (3) years from the date of the last signature, with the understanding that it may be modified by written mutual consent of both parties. This MoU may be terminated by either party with advance written notice of at least thirty (30) days. Upon notice of termination both M/s. Queen India Engineering Services and Nehru Institute of Engineering and Technology agree to work in good faith to enable visiting students/staffs to complete their respective academic work/research unhindered by the termination. The MoU may be extended by mutual consent of the two parties after the three-year period, and it must be renewed in writing.

This MoU may also involve parties by mutual consent, which may be added later by written addendum to this MoU.

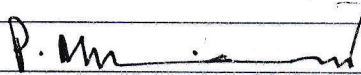

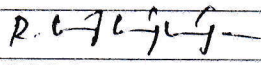

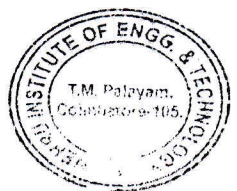

The parties may enter into specific written agreements under authority of this MoU to clarify and define the nature, extent and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues.

Jurisdiction: Any dispute or difference arising between the parties in operation/effect of this MoU or breach thereof shall be settled through arbitration in accordance with the relevant arbitration Act in force at such time. The arbitration award shall be binding on both parties.

**MEMORANDUM OF UNDERSTANDING
FOR ACADEMIC AND INDUSTRY COOPERATION
BETWEEN
THE DEPARTMENT OF AERONAUTICAL ENGINEERING
NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY
AND
M/s THE CREATOR INDUSTRIES**

This Memorandum of Understanding (MoU) is entered into as of November 03, 2020, by and between the Department of Aeronautical Engineering of Nehru Institute of Engineering and Technology, Coimbatore -641 105 and M/s The Creator Industries, SF.No.367, 4/5 Kongalamman Nagar, Bhavani Bye Pass, Elavamalai Village, Erode - 638 316 (Industry Partner).

P. Mani Arasan *J. Mani Arasan*

P. Mani Arasan

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

1.0 Purpose

The purpose of this MoU is

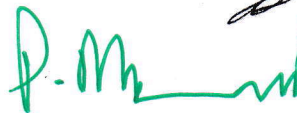

- To promote the mutual interest in the fields of research & consultancy and testing & certification.
- To jointly organize workshops, seminars and conferences in the emerging areas of Aeronautical Engineering
- To impart technical skills through employability enhancement programs to the students.

2.0 Types of Cooperation

Through this MoU, both parties affirm the value of industrial collaboration and agree to promote the following activities:

1. Joint research projects in fields of mutual interests
2. Opportunities for students to
 - a. Visit industry (short day visit)
 - b. Undergo in plant training/internship
 - c. Undertake projects
 - d. Get placement assistance
3. Opportunities for faculty members to visit industry and undergo training
4. Consultancy works in fields of mutual interests
5. Curriculum and syllabus development
6. Support for establishing laboratory at par with industry standards
7. Organizing workshops/seminar/symposium/conference/
Faculty Development programs
8. Other activities as mutually agreed.

This MoU places no financial obligations or supplementary funding commitments on either party. Such activities will be defined through separate program agreements that detail the commitment of resources (financial or otherwise) required by the Institution and Industry. Subsequent program agreements must be approved in writing by the authorized representatives of both parties.

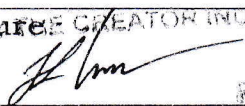

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology

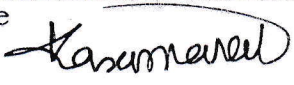

3.0 Terms

- 3.1 At Nehru Institute of Engineering and Technology, Coimbatore – 641 105 this MoU will be administered by Dr. P.Maniarasan, Principal (Institution Representative). At M/s The Creator Industries, SF.No.367, 4/5 Kongalamman Nagar, Bhavani Bye Pass, Elavamalai Village, Erode – 638316, this MoU will be administered by Dr. K. Prabu (Industry Partner).
- 3.2 This MoU will become effective upon the date of signature by both Parties. It shall remain valid for a period of three (3) years from the date of the last signature, with the understanding that it may be modified by written mutual consent of both parties. This MoU may be terminated by either party with advance written notice of at least thirty (30) days. Upon notice of termination both M/s. The Creator Industries and Nehru Institute of Engineering and Technology agree to work in good faith to enable visiting students/staffs to complete their respective academic work/research unhindered by the termination. The MoU may be extended by mutual consent of the two parties after the three-year period, and it must be renewed in writing.
- 3.3 This MoU may also involve parties by mutual consent, which may be added later by written addendum to this MoU.
- 3.4 The parties may enter into specific written agreements under authority of this MoU to clarify and define the nature, extent and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues.
- 3.5 Jurisdiction: Any dispute or difference arising between the parties in operation/effect of this MoU or breach thereof shall be settled through arbitration in accordance with the relevant arbitration Act in force at such time. The arbitration award shall be binding on both parties.
- 3.6 This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) copy remaining in the possession of each party.

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MoU) entered into and executed at Coimbatore on 12.07.2019

BETWEEN

Nehru Institute of Engineering and Technology, an educational institution having its Nehru Gardens, Thirumalayampalayam, Coimbatore - 641105 represented by its Principal, Dr.P.Maniarasan and Leading Edge, Chennai where high quality Research and Development of Aviation/Unmanned Vehicle is carried out and is located at Chennai represented by Mr.V Balaji, Managing Director, Leading to establish a Training Program at the college premises.

The memorandum of understanding states the terms and conditions under which On-site Programs and Research Activities shall be conducted by Leading Edge, Chennai at Nehru Institute of Engineering and technology and lists herein the respective responsibilities of Nehru Institute of Engineering and Technology and Leading Edge.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Parayam, Coimbatore - 641 105.

OBJECTIVES/PURPOSE OF THIS AGREEMENT:

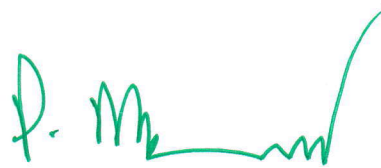

1. To establish a UAV Research Centre in Nehru Institute of Engineering and Technology, Coimbatore & improve the skill set of engineering students in Research and Development of UAV and help them employable.
2. Through this Training Program activity, students will gain ability to bridge the gap between college education and requirements of Research & Development in UAV & Aviation sector.
3. To facilitate knowledge transfer through Conferences, Workshops, Symposiums, Seminars, Development Programs, Airshows and Project guidance.
4. Through the Training Program facilities we will assist students in Journal Publish, Patent Rights, Research Internships, Aerospace & Aviation courses, research & academic projects.
5. To assist in possible placement activities by introducing and developing contacts with industries and establishing relationship between them on the basis of company terms and conditions.
6. To assist the students in possible EDP/HRD activities.

ROLES AND RESPONSIBILITIES OF Leading Edge:

1. To organize Training programs and short/long term training sessions on UAV and Aviation sector.
2. To organize conferences and workshops once in six months for Aeronautical/Aerospace Engineering students of the college to enlighten them on the Aerospace and Aviation sector.
3. To provide required equipment (Fabrication Material, Electric components, Mechanical toolset...etc.) to the students during training sessions. If any fund is provided by management.
4. To provide assistance for Aeronautical/Aerospace Engineering students of the college to undergo internships, industrial trainings and in-plant visits.
5. To provide possible Placement (optional), Job Internship Assistance in the industries for students those enrolled in the training program conducted by the First party.
6. To involve proficient students in research projects funded by various organizations.
7. To provide guidance for students in their academic project works.

ROLES AND RESPONSIBILITIES OF NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY, COIMBATORE:

1. To create the awareness among the students about UAV training programs through conducting Seminars.
2. Audio/Video systems and classroom facilities for Presentation.
3. Complete disciplinary support for the smooth conduct and completion of the training program.
4. To provide staff coordinator and student volunteers to coordinate the activities in research centre.

Dr. P. MANIARASAN

Principal.

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

TIME FRAME:

This MoU is valid for 5 years from the date of signing and will be renewed for a further period if both the parties agreed to extend the training program.

JURIDICTION:

In the event of any difference of opinion, the matter should be referred to the Principal, Nehru Institute of Engineering and Technology, whose decision thereon shall be final.

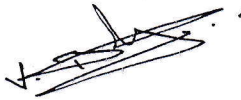

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act in force at such time. The Arbitration award shall be binding on both parties.

The Above terms detailed in this Memorandum of Understanding alone shall govern the participation agreed to between Nehru Institute of Engineering and Technology, Coimbatore and Leading Edge.

This Memorandum of Understanding shall come into effect from 12.07.2019

In witness whereof the parties hereto have affixed their signatures to this agreement on this day.

Both parties agree that the first party at all times will work with good intent to provide the service and the best of its effects in helping the second party achieve its purpose and derive its value.

Both parties agree that the outcome of the program depends on the participation, commitment efforts and involvement of the participating students. When the first party will give its best efforts to deliver the needs as agreed in the best possible manner.

Both parties agree that placement and employment availability is not a yardstick for parameter to judge the quality, value and efforts of the service of the first party.

Both parties agree that all the services of the first party or chargeable and the charge will be as per Prior mutual agreement between the parties for each of the services of that calculated on value and effort basis.

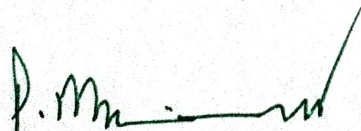

Both parties agreed at the first party at its own interest or upon request of the second party may provide certain services and training at free of cost as a goodwill gesture which will be mutually agreed and intimated in writing according to the service activity.

FORCE MAJEURE

No party shall be liable to the other if and to the extent, that the performance of any of its obligations under this agreement is prevented, restricted or interfered due to the circumstances beyond the reasonable control of such party including but not limited to Government Legislation, fire, flood, explosion, epidemics, accidents, Act of God, wars, riots, strikes, lockouts or other connected acts of workmen and act of Government.

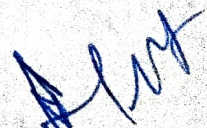

Terms of Agreement and Termination of Agreement

1. This agreement is effective from the date of signing by both the parties and shall be valid for a period of two years' (24 months) from the date of agreement. The parties may renew this agreement for further periods on mutually agreed terms.
2. Either party may terminate this agreement by giving not less than 3 months' notice to the other party.
3. Notwithstanding the stipulation in above clause, each party is entitled to terminate this agreement immediately on any other party committing the breach, which is not insignificant and such party does not remedy such breach within 30 days from written notice by the other party requiring the default party to remedy the same.
4. In the event of termination of the agreement, for whatever reasons, both the parties agree to fulfill their respective commitments to the already registered batch of students as if the agreement is still in force.
5. On termination of this agreement, neither party will be entitled to claim any compensation or damages for or in respect of or by reason of such termination, except where such claim is based on the default of the other party.

class graduates with a foresight to the changes and problems, and pioneers to offer innovative solutions to benefit the nation and the world at large.

PURPOSE:

This MoU sets down a framework for collaboration between the organizations to enhance contribution in scientific research and training using the expertise and facilities available.

AREA OF COLLABORATION:

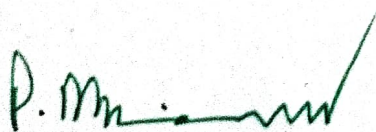

The Memorandum of Understanding (MoU) provides for collaboration between **Nehru Institute of Engineering and Technology**, and **Gateway Software Solutions** in various ways.

OBJECTIVE / PURPOSE OF THE MOU:

1. To provide practical aspects of Full Stack Development and motivate the students to update their knowledge in the field of Full Stack Development.
2. Enlighten the students with recent development, so that the students are competitive and suitable for job.
3. Orientation on overall function of Full Stack Development expert resource persons.
4. On successful completion of the program the students will be awarded with a merit certificate issued by **Gateway Software Solutions**.

RESPONSIBILITIES OF GATEWAY SOFTWARE SOLUTIONS:

1. We provide training for **Full Stack Development & Web Application** and Students can appear for Global Exam with our guidance.
2. To provide study materials and practical training session in companies own infrastructure.
3. To conduct internal evaluation and to issue certificate.
4. **Incubation Centre: Gateway Software Solutions** may start an incubation Centre at **Nehru Institute of Engineering and Technology** to carry over research / projects in the field of Cyber Security for the benefit of students.
5. **Internship: Gateway Software Solutions** will provide paid Internship projects for the students of School of Computing in the Incubation Centre.
6. **External Projects Execution** – Projects can be taken in cooperation with **Gateway Software Solutions** and **Nehru Institute of Engineering and Technology**. **Gateway Software Solutions** employees will guide the project till the successful completion of the projects.
7. **Research Guidance: Gateway Software Solutions** will guide and give support to the faculty and students with our core IT domain based on the requirement.
8. **Conference and Workshop: Nehru Institute of Engineering and Technology** can organize Conference and Workshop in collaboration with **Gateway Software Solutions**.

Dr. P. MANIARASAN

9. **Special Lectures: Gateway Software Solutions** would extend special lectures to both Faculties and Students at **Nehru Institute of Engineering and Technology** to update their level of skills.
10. **R&D: Gateway Software Solutions** would provide the assistance on research and development activities carried by the students and faculty.
11. **Gateway Software Solutions** undertakes not to forward or disclose any information concerning the specifics of this agreement to any third party without the prior written consent of **Nehru Institute of Engineering and Technology**.
12. **Gateway Software Solutions** will not permit any practice that may be detrimental to the trademarks or goodwill or reputation of **Nehru Institute of Engineering and Technology** or its services.
13. **Gateway Software Solutions** use of any of the trademarks will be strictly in accordance with **Nehru Institute of Engineering and Technology** instruction.

RESPONSIBILITIES OF INFORMATION TECHNOLOGY-NIET:

1. **Nehru Institute of Engineering and Technology** will provide necessary space and other infrastructure like computers, printers, UPS, furniture and fixtures, supporting facilities, video and audio, etc., at college premises will have exclusive right to operate the **Gateway Software Solutions** inside the college campus subject to the terms of this agreement.
2. **Nehru Institute of Engineering and Technology** will ensure that each participating student has access to relevant hardware and software.
3. **Nehru Institute of Engineering and Technology** will provide its expertise for research and development work required by assigning faculty members from the Departments of Information Technology who will be responsible in interaction and correspondence with you towards successful achievement of the tasks as and when required.
4. **Nehru Institute of Engineering and Technology** will provide their proficiency in finding solutions for various problems faced by industry during development and implementations.
5. **Nehru Institute of Engineering and Technology** will permit to utilize their library facilities.
6. **Nehru Institute of Engineering and Technology** agrees to take up consultancy from **Gateway Software Solutions** and complete the task within the stipulated time.
7. **Nehru Institute of Engineering and Technology** undertakes not to forward or disclose any information concerning the specifics of this agreement to any third party without the prior written consent of **Gateway Software Solutions**.
8. **Nehru Institute of Engineering and Technology** will not permit any practice that may be detrimental to the trademarks or goodwill or reputation of **Gateway Software Solutions** or its services.
9. **Nehru Institute of Engineering and Technology** use of any of the trademarks will be strictly in accordance with **Gateway Software Solutions** instructions.

The Memorandum of Understanding is signed between

The Department of Computer Science and Engineering, Nehru Institute of Engineering and Technology – Coimbatore, henceforth referred as First party

Livewire Hope College, having registered office at Hopes College, Coimbatore, Tamil Nadu – 641004, on behalf of itself and acting through Mrs. Gayathri Kandasamy Centre Head representing LIVEWIRE INDIA Corporate office Chennai (25, First Floor, Dr Radha Krishnan Salai, Dwarka Colony, Mylapore, Chennai, Tamil Nadu 600004 henceforth referred to as Second Party.

Scope of MoU

First party and Second party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.

Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests. And whereas, both the parties have expressed a common interest in providing industry relevant training to the Students, enhance their awareness, expand their industry connect and, in the process, increase their employability.

Now therefore, in consideration of the mutual promises set forth in this MoU, both parties hereto agree as follows:

(1) Purpose

The purpose of this Memorandum of Understanding is to ensure functional Academic collaboration and share the knowledge and skills available in both the organizations. This MoU will also assist in joint consulting and projects to the Institution.

(2) Academic activities for Students

Second party will offer technical engagements like Workshops, Seminars, Webinars on related fields of the scope to the Students of the First party. Mutual agreement for training with projects, internships and consultancy will be made between two parties based on the interests of the Students in developing their skill sets.

(3) Internships

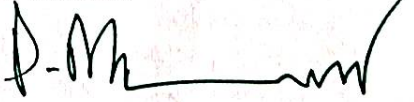

Second party may offer Internship training on their domain expertise for the Students of the First party.

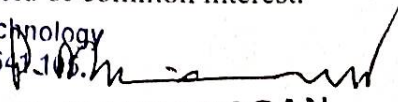

(4) Academic activities for Faculties

Second party will offer technical engagements like Workshops, Seminars on emerging Technologies and related fields of the scope to the students of the First party. Mutual agreement for training with projects, internships and consultancy will be made between two parties based on the interests of the Faculties in developing their skillsets

(5) Technical co-operation

Whenever desirable, both the parties may seek to enter into a technical co-operation with a view to promote the development of collaborative activities in the field of common interest.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105

K. Sree
Center Head, LiveWire Hope Co.
No.267, 1st floor, Avinashi Road,
Opp GRG Ladies Hostel,
Hope College, Coimbatore - 641004

(6) Additional engagements

In addition to the tasks mentioned above, the collaboration may also include the following:

- (i) Interaction with working groups of the industry so as to increase the Students as well Staff knowledge and skill level
- (ii) Offering Technical expert lectures based on requirements
- (iii) Offering valuable inputs to the Institution as a feedback from the Industrial sector respect of latest Technological development
- (iv) Offering guidance for suitable placement for Students
- (v) Offering certification programs in Blockchain, Cybersecurity and other emerging technologies
- (vi) Offering core training to the Students by setting up Centre of Excellence

Upon requirement, the commercial component of such specific engagements, will be mutually discussed by both parties and agreed upon accordingly.

(7) Responsibilities of the Parties

- Head of the Institute (HoD) and Head of the Industry have to be introduced while signing the MoU
- HoD should verify periodically (at-least once in 3 months) about the progress and outcomes
- HoD to facilitate interaction with Students and assist the Industry in enhancing the Student's progress
- Industry may provide mentoring to Faculty and Students for events like Hackathon, Ideathon etc.,

(8) Amendments

Both parties may request for any amendments of the present MoU. Any such amendments shall be adopted by mutual consent. Whenever required, an exchange of letter will detail the implementation of the amendment.

(9) Termination

Either party may terminate the present MoU by giving a month of written notice to other party. The obligation on the parties under the terms of their MoU shall be fulfilled within the notice period. The final obligation between the parties will also be settled within the notice period.

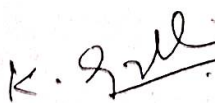

(10) Force Majeure

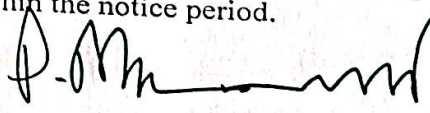

In the event of non-fulfilment of the contract terms and conditions due to any reason of force majeure, neither the First party nor the Second party shall be held responsible for any loss or consequential loss.

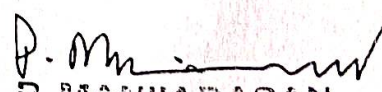

(11) Arbitration

Both parties shall attempt to settle all disputes through mutual discussions and negotiations. If the negotiations fail, then both parties will submit the dispute to an Arbitrator appointed jointly by both parties. The decision of the arbitrator shall be binding and final to both parties. Both parties will designate a representative from their side who will be the primary contact on behalf of that party. Both parties shall not use the name of the other party in any advertisement or make any public announcement unless as agreed.

This MoU shall be construed and governed by Indian Law and shall be subjected to exclusive jurisdiction of the Court in Coimbatore city.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg & Technology
T.M. Palayam, Coimbatore - 641 105

24/08/2023

This Memorandum of Understanding is entered into and is effective as of 24/08/2024. The MoU shall be auto renewed on completion of every three years from the date of signing and will remain valid until either of the parties initiates the written termination.

The Memorandum of Understanding is signed between

The Department of Computer Science and Engineering, Nehru Institute of Engineering and Technology – Coimbatore, henceforth referred as First party

Novi Tech R&D Private Limited, 2nd Floor, Sai Sruthi Complex, Ramarkoil Street, Ramnagar, Coimbatore, Tamil Nadu - 641037, on behalf of itself and acting through Mr.M.Senthil Murugan, Business Development. Manager, henceforth referred to as Second Party.

Scope of MoU

First party and Second party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.

Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests. And whereas, both the parties have expressed a common interest in providing industry relevant training to the Students, enhance their awareness, expand their industry connect and, in the process, increase their employability.

Now therefore, in consideration of the mutual promises set forth in this MoU, both parties hereto agree as follows:

(1) Purpose

The purpose of this Memorandum of Understanding is to ensure functional Academic collaboration and share the knowledge and skills available in the Institution. This MoU will also assist in joint consulting and projects to the Institution.

Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

(2) Academic activities for Students

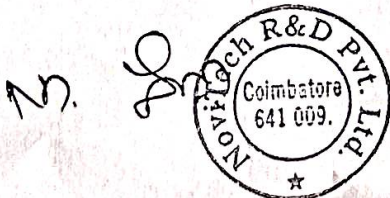

Second party will offer technical engagements like Workshops, Seminars, Webinars on related fields of the scope to the Students of the First party. Mutual agreement for training with projects, internships and consultancy will be made between two parties based on the interests of the Students in developing their skill sets.

(3) Internships

Second party may offer Internship training on their domain expertise for the Students of the First party.

(4) Academic activities for Faculties

Second party will offer technical engagements like Workshops, Seminars on emerging Technologies and related fields of the scope to the students of the First party. Mutual agreement for training with projects, internships and consultancy will be made between two parties based on the interests of the Faculties in developing their skillsets.

Dr. P. MANI ARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

24/08/2023

(5) Technical co-operation

Whenever desirable, both the parties may seek each other's technical co-operation with a view to promote the development of collaborative activities in the field of common interest.

(6) Additional engagements

In addition to the tasks mentioned above, the collaboration may also include the following:

- (i) Interaction with working groups of the industry so as to increase the Students as well as Staff knowledge and skill level
- (ii) Offering Technical expert lectures based on requirements
- (iii) Offering valuable inputs to the Institution as a feedback from the Industrial sector in respect of latest Technological development
- (iv) Offering guidance for suitable placement for Students
- (v) Offering certification programs in Blockchain, Cybersecurity and other emerging technologies
- (vi) Offering core training to the Students by setting up Centre of Excellence

Upon requirement, the commercial component of such specific engagements, will be mutually discussed by both parties and agreed upon accordingly.

(7) Responsibilities of the Parties

- Head of the Institute (HoD) and Head of the Industry have to be introduced while signing the MoU
- HoD should verify periodically (at-least once in 3 months) about the progress and outcomes
- HoD to facilitate interaction with Students and assist the Industry in enhancing the Student's progress
- Industry may provide mentoring to Faculty and Students for events like Hackathon, Ideathon etc.,

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M. Palayam, Coimbatore - 641 105

(8) Amendments

Both parties may request for any amendments of the present MoU. Any such amendments shall be adopted by mutual consent. Whenever required, an exchange of letter will detail the implementation of the amendment.

(9) Termination

Either party may terminate the present MoU by giving a month of written notice to other party. The obligation on the parties under the terms of their MoU shall be fulfilled within the notice period. The final obligation between the parties will also be settled within the notice period.

(10) Force Majeure

In the event of non-fulfilment of the contract terms and conditions due to any reason of force majeure, neither the First party nor the Second party shall be held responsible for any loss or consequential loss.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

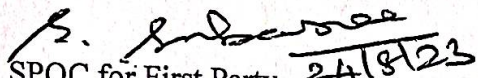

24/08/2023

(11) Arbitration

Both parties shall attempt to settle all disputes through mutual discussions and negotiations. If the negotiations fail, then both parties will submit the dispute to an Arbitrator appointed jointly by both parties. The decision of the arbitrator shall be binding and final to both parties. Both parties will designate a representative from their side who will be the primary contact on behalf of that party. Both parties shall not use the name of the other party in any advertisement or make any public announcement unless as agreed.

This MoU shall be construed and governed by Indian Law and shall be subjected to exclusive jurisdiction of the Court in Coimbatore city.

Nehru Institute of Engineering and Technology and IBM agree that all discussions between the parties regarding a potential business arrangement are nonbinding unless and until the parties enter into a written, definitive agreement signed by their duly authorized representative, and neither party shall be obligated to enter into such an agreement.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is intended to outline a proposed business relationship between IBM India Private Limited ("IBM") with Registered offices at 12, Subramanya Arcade, Bannerghatta Road, BANGALORE - 560 029 and Nehru Institute of Engineering and Technology with registered address at 'Nehru Gardens', Thirumalayampalayam, Coimbatore - 641105.

WHEREAS, Nehru Institute of Engineering and Technology (NIET) and IBM have entered into discussions concerning IBM's provision of technology products and services for Customer;

WHEREAS, the parties anticipate that Customer will elect to engage IBM as the primary and preferred technology provider for IT hosting, hardware, software and services.

NOW, THEREFORE, in order to ensure that the discussions and evaluations between parties regarding the potential business relationship that is sought does not create any confusion or misunderstandings, the following items represent points that require the parties' agreement and will facilitate these evaluations and discussions.

1. Roles and Responsibilities

The proposed roles and responsibilities of the parties in connection with this proposed business relationship are described in Attachment 1.

2. Termination

This MOU will terminate on **3 years from the date of signing** unless extended or terminated earlier. If at any time any party wishes to withdraw from further evaluations and discussions in connection with the subject matter of this MOU and terminate this MOU, it may do so with or without cause and without liability by providing the other party with written notice of its intention to withdraw from further evaluation and discussions. All discussions, proposals, term sheets, draft agreements and other similar materials will be null and void if evaluations and discussions are terminated. This MOU can be extended upon written agreement of the parties.

3. Confidentiality

The existence and substance of this MOU and the provision of services contemplated hereby will be kept confidential and will not be disclosed to any party hereto to any third party without the prior written consent of the other party hereto. Notwithstanding the foregoing, any party may make such public disclosure as it believes, on the advice of counsel, is required by law or by applicable stock exchange regulations, in which case such party will consult with the other party and gain such party's written approval prior to making such disclosure.

The parties acknowledge that the exchange of confidential information by NIET and IBM in connection with this MOU will be governed by the terms and conditions of that certain Agreement for Exchange of Confidential Information, attached hereto as Attachment 2.

e-Signed by Dr. Maniiarasan P

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

e-Signed by Jagadisha Bhat

4. Limitation of Liability

The parties agree that (i) the activities intended by this MOU may not be successfully completed; (ii) the results achieved may not be as anticipated; and (iii) these activities may not lead to any announced or generally available or limited offering. Any decision by any party to forego, or engage any other business opportunity, to alter or supplement any business plan of direction, or to make any investment in anticipation of the consummation of any transaction contemplated hereunder, is at the sole discretion of the party electing to do so, and will not create any actual or potential liability or any obligation for the other party, even if that party is aware of, or has been informed of, or has indicated approval of, any such action, decision, or election.

Except for a breach of Articles 3 or 5, for any claim in any way related to the subject matter of this MOU, the damaged party shall not be entitled to recover any actual and direct damages unless and until a definitive agreement has been signed. This will apply regardless of the form of action, whether in contract or in tort, including negligence. This limitation will not apply to claims for bodily injury or damage to real property or tangible personal property for which a party is legally liable. In no event will either party be liable for any lost profits, lost savings, incidental damages, or other economic consequential damages, even if advised of the possibility of such damages. In addition, neither party will be liable for any damages claimed by the other party based on any third party claim.

5. Publicity

IBM and NIET each agrees not to use the trademarks, trade names, services marks or other proprietary marks of the other party to this MOU in any advertising, press releases, publicity matters, or other promotional materials without prior written approval of the other party. In addition each party agrees not to initiate or distribute any press releases, publicity matters or other promotional materials related to or referencing the subject matter of this MOU without prior written approval of the other party.

6. Governing Law

This Memorandum of Understanding shall be governed by and construed in accordance with the laws of India, without regard to its conflict of laws provision.

7. General

Nothing contained in this MOU will be deemed to grant any ownership in, or license to, any patents, inventions, copyrights or trademarks of either party, whether made under this MOU or not. Each party will own any intellectual property created by it during the period of the MOU. In case a party wants to use the other party's intellectual property as created above for internal purposes, it would have to acquire appropriate licenses and rights from the other party, under a separate agreement. Each party will continue to own any pre-existing material contributed by it.

8. Feedback means any comments, suggestions, and recommendations on IBM products or services of this business relationship. The other party is under no obligation to give Feedback to IBM. In case, such Feedback is made, it is not treated as confidential to the other party, and IBM shall be free to act and use such Feedback, including but not limited to IBM products or services. Any enhancements to IBM product or services based on such Feedback shall be exclusively owned by IBM. Such rights to Feedback are granted on non-exclusive basis to IBM. Third party shall not disclose such Feedback to any other party without IBM's prior written approval.

It is understood that this MOU does not purport to cover all aspects of this business relationship.

e-Signed by Dr. Maniwaran P

Dr. P. MANIWARAN

e-Signed by Jagadisha Bhat

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

This MOU supersedes all prior proposals and discussions on this subject and is the complete and exclusive statement of the agreement between the parties. This MOU cannot be modified except by a written agreement signed by the authorized representative of each of the **Nehru Institute of Engineering and Technology** and **IBM** companies. Any reproduction of this MOU by reliable means will be considered an original of this document.

Each party will be responsible for its own expenses in connection with these discussions. Except as set forth herein, there are no restrictions on either party as a result of these discussions and either party is free to pursue a similar business relationship with others at any time.

This Memorandum of Understanding sets forth the understanding of the parties as of

Attachment 1 – Program Structure

Foreseen benefits of the collaboration for NIET

1. Opportunity to emerge as one of the competent entities in the academic circles in various areas of Information technology;
2. Opportunity to be recognized by the Industry and academic circles as one of the preferred location/institution for acquiring training and skills in latest technology and software;
3. Opportunity to students and faculty members to increase their knowledge and acquire skills on best-in-class IBM Software
4. Opportunity to design innovative curriculum and on various industry specialization using relevant IBM Software
5. Opportunity to learn from the practitioners in the industry from IBM or business partners
6. Opportunity for students and faculty members to avail professional and global certification on IBM Software
7. Opportunity to receive Courseware from IBM designed by professionals in IBM Software Labs
8. Opportunity to conduct various seminar and workshops with IBM in the institution
9. Opportunity to co-market with IBM to promote Programs
10. Propagation of IBM Software and technology knowledge & skill to various students and faculty members

IBM and Nehru Institute of Engineering and Technology acknowledge the need for IBM Software skills, in the IT education and training sector. The objective is to have a number of graduating professionals skilled on IBM Software. Both IBM and Nehru Institute of Engineering and Technology are keen to cooperate in a way that shall benefit NIET students pursuing a career in the industry.

NIET shall rollout Under-Graduate / Certificate / value added programs with specialization aligned with relevant IBM Software delivering all or any of such programs to enrolled students and faculty members. IBM shall provide reasonable support as set-forth below to have NIET commence and conduct this initiative. Such support may include assistance in the form of providing free IBM software products, identified courseware and academic support through Subject Matter Experts thru the IBM Business Partner. The provision of software, IBM materials and services shall be under a relevant IBM agreement executed by the parties. Such agreement shall govern the use of software, IBM materials by NIET.

Following are the Proposed activities

a) IBM

- Participate in Curriculum Design for Co-Branded Programs & BoS
- Provide the participation certificates for all the students who have successfully completed the course

b) IBM Business Partner

- To provide IBM Career Education courses for the students as required and agreed in the Work order
- Provide orientation workshops for the faculty nominated by NIET for the program
- Deploy SMEs for covering deliver Courses (including practical/Lab hours) agreed as per the curriculum, for students as mutually agreed as per the curriculum

Attachment 2

Agreement for Exchange of Confidential Information

Our mutual objective under this Agreement is to provide protection for confidential information (Information) while maintaining our ability to conduct our respective business activities. Each of us agrees that the following terms apply when one of us (Discloser) discloses Information to the other (Recipient).

1. Disclosure

Information will be disclosed either:

- 1) in writing;
- 2) by delivery of items;
- 3) by initiation of access to Information, such as may be in a data base; or
- 4) by oral or visual presentation.

Information should be marked with a restrictive legend of the Discloser. If Information is not marked with such legend or is disclosed orally, the Information will be identified as confidential at the time of disclosure.

2. Obligations

The Recipient agrees to:

- 1) use the same care and discretion to avoid disclosure, publication or dissemination of the Discloser's Information as it uses with its own similar information that it does not wish to disclose, publish or disseminate; and
- 2) use the Discloser's Information for the purpose for which it was disclosed or otherwise for the benefit of the Discloser.

The Recipient may disclose Information to:

- 1) its employees who have a need to know, and employees of any legal entity that it controls, controls it, or with which it is under common control, who have a need to know. Control means to own or control, directly or indirectly, over 50% of voting shares; and
- 2) any other party with the Discloser's prior written consent.

Before disclosure to any of the above parties, the Recipient will have a written agreement with the party sufficient to require that party to treat Information in accordance with this Agreement.

The Recipient may disclose Information to the extent required by law. However, the Recipient will give the Discloser prompt notice to allow the Discloser a reasonable opportunity to obtain a protective order.

3. Confidentiality Period

Information disclosed under this Agreement will be subject to this Agreement for two years following the initial date of disclosure.

4. Exceptions to Obligations

The Recipient may disclose, publish, disseminate, and use Information that is:

- 1) already in its possession without obligation of confidentiality;
- 2) developed independently;
- 3) obtained from a source other than the Discloser without obligation of confidentiality;
- 4) publicly available when received, or subsequently becomes publicly available through no fault of the Recipient; or
- 5) disclosed by the Discloser to another without obligation of confidentiality.

The Recipient may use in its business activities the ideas, concepts and know-how contained in the Discloser's Information which are retained in the memories of Recipient's employees who have had access to the Information under this Agreement.

5. Disclaimers

THE DISCLOSER PROVIDES INFORMATION WITHOUT WARRANTIES OF ANY KIND.

The Discloser will not be liable for any damages arising out of the use of Information disclosed under this Agreement.

Neither this Agreement nor any disclosure of Information made under it grants the Recipient any right or license under any trademark, copyright or patent now or subsequently owned or controlled by the Discloser.

6. General

This Agreement does not require either of us to disclose or to receive Information. Neither of us may assign, or otherwise transfer, its rights or delegate its duties or obligations under this Agreement without prior written consent. Any attempt to do so is void.

The receipt of Information under this Agreement will not in any way limit the Recipient from:

- 1) providing to others products or services which may be competitive with products or services of the Discloser,
- 2) providing products or services to others who compete with the Discloser, or
- 3) assigning its employees in any way it may choose.

The Recipient will 1) comply with all applicable export and import laws and regulations, including associated embargo and sanction regulations, and 2) unless authorized by applicable governmental license or regulation, not directly or indirectly export or re-export any technical information or software subject to this Agreement (including direct products of such technical information or software) to any prohibited destination or country (including release to nationals, wherever they may be located, or of any prohibited country) as specified in such applicable export regulations. This paragraph will survive the termination or expiration of this Agreement and the confidentiality period above and will remain in effect until fulfilled.

Only a written agreement signed by both of us can modify this Agreement.

Either of us may terminate this Agreement by providing one month's written notice to the other. Any terms of this Agreement which by their nature extend beyond its termination remain in effect until fulfilled, and apply to respective successors and assignees.

Both of us consent to the application of the laws of India to govern, interpret, and enforce all of your and our rights, duties, and obligations arising from, or relating in any manner to, the subject matter of this Agreement, without regard to conflict of law principles.

This Agreement is the complete and exclusive agreement regarding our disclosures of Information, and replaces any prior oral or written communications between us regarding these disclosures. By signing below for our respective enterprises, each of us agrees to the terms of this Agreement. Once signed, any reproduction of this Agreement made by reliable means (for example, photocopy or facsimile) is considered an original.

WHEREAS Techara and NIET desire to enter into an agreement in which Techara and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS Techara and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between Techara and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

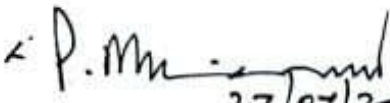

The activities and services for the training in Blockchain shall include, but not be limited to:

a. Services to be rendered by Blockchain include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of Blockchain, Cryptocurrency, NFT, Dapps, Defi, Metaverse, mining, staking, Bitcoin blockchain, solidity, hyperledger, multichain, web3, chaincode, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial trends, Technological requirements.
- To organize short-term training programs in the field of Blockchain.
- To provide opportunities for the Artificial Intelligence and Data Science students of the college to undergo Industrial training and Implant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

b. Services to be rendered by NIET include:

27/07/2023
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 012.

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Techno
T.M.Palayam, Coimbatore - 64

- To create awareness among the students about the **Topics of Blockchain, Cryptocurrency, NFT, Dapps, Defi, Metaverse, mining, staking, Bitcoin blockchain, solidity, hyperledger, multichain, web3, chaincode** conducted by Techara.
- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the Techara.
- To train the employees of the Techara on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of Topics of **Blockchain, Cryptocurrency, NFT, Dapps, Defi, Metaverse, mining, staking, Bitcoin blockchain, solidity, hyperledger, multichain, web3, chaincode Training, and Development / Value added courses, Workshops, and Internships** will be provided to the students and faculty members in the form of workshops and internships.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

MEMORANDUM OF UNDERSTANDING

In furtherance of their mutual interest in the fields of education and research, Zeekers Technology Solutions PVT LTD, having its address at SSS TOWERS, 1st Floor, Behind Central Park Apartment, Sivanandhapuram, Coimbatore, Tamil Nadu - 641 035 and Department of Artificial Intelligence and Data Science, Nehru Institute of Engineering and Technology (NIET) having its registered address at Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India, have entered into this Memorandum of Understanding (MoU) on this 03rd August 2023 as set forth below:

P. Maniwaran Page 1 of 6

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE I

The MoU involves collaboration between **Zeekers Technology Solutions PVT LTD**, and Department of **Artificial Intelligence and Data Science**, NIET in related disciplines.

The MoU-Partners shall seek to promote:

1. Technical knowledge upgrading of Students and Staff (Faculty and Undergraduate, Post Graduate & Doctoral Students) for the mutual benefit of both MoU-Partners.
2. Facilitate Students for pursuing Internship and In-plant training for mutual benefit of both MoU-Partners.
3. Collaboration in Teaching, Research & Development, and Consultancy Activities.
4. Exchange of Academic and Research Material and Publication/IPs.
5. Cooperation in Projects and Research Activities of mutual interest.
6. Collaboration in Research & Development in selective areas.
7. Publication of Research Paper in International Scientific Journal and in the Conferences.
8. Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Partners, as applicable and mutually agreed in writing specifically for the purpose.
9. Writing Books/Booklets jointly in the areas of mutual interest.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M. Palayam, Coimbatore - 641 105.

ARTICLE II

The activities under this MoU will include:

1. Staff Exchange

Staff Exchange activities cover visits to either organizations for any of the following purposes:

- (i) Undertaking Joint Research
- (ii) Attachment of Staff for purposes of Curriculum Development & Review, Attendance in Courses and Upgrading of Teaching & Research Skill
- (iii) Participation in Seminars, Workshops and other types of academic discussions
- (iv) Contributions of Teaching Programmes
- (v) Co-supervision of Graduate Students
- (vi) Conduct study tours, joint consultancy and research work.

2. Student Exchange:

Student Exchange activities (for Undergraduate) cover visits to either institution for any of the following purposes:

- (i) Participation in Workshop.
- (ii) Internships for B.E, M.E Students at **Zeekers Technology Solutions PVT LTD.**
- (iii) In-plant training and project work for B.E, M.E Students at **Zeekers Technology Solutions PVT LTD,**
- (iv) Industrial visit to B.E, M.E Students at **Zeekers Technology Solutions PVT LTD**

3. Exchange of Academic Materials:

Exchange of relevant Academic Materials will be carried-out subject to mutual agreement of both MoU-Partners.

A handwritten signature in blue ink, appearing to read "Dr. P. Mani Arasan".

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE III

Implementation of cooperation based on this MoU shall be dealt with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

The MoU shall remain in force for a period of 3 (Three) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other institution. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.

A handwritten signature in blue ink, appearing to read "P. Mani Arasan".

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE VII

Both the **Zeekers Technology Solutions PVT LTD**, and Department of **Artificial Intelligence and Data Science**, NIET reserve the right to terminate this MoU by either organization giving 2 (Two) months written notices to the other. Where such termination occurs, the provisions of the MoU shall continue to apply to ongoing activities until their completion.

ARTICLE VIII

Participating staff and students involved in any activities under this MoU must adhere to the law of the country and rules & regulations of the host MoU-Partners.

ARTICLE IX

Zeekers Technology Solutions PVT LTD, and Department of **Artificial Intelligence and Data Science**, NIET welcome establishment of this MoU for cooperation and jointly agree to provisions as set out above. There are two copies of this MoU equally valid, one for each of MoU-Partners, effective from the date of its signing.

Cooperation

The activities and services for the training and development in Data Science shall include, but not be limited to:

a. Services to be rendered by Heron include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of **EMBEDDED, IOT, LABVIEW, MACHINE LEARNING, SAP, PYTHON, JAVA, PHP, .NET, NS2, ANDROID, MECHANICAL, VLSI, IMAGE PROCESSING, POWER ELECTRONICS** and supports to **Real-Time Training, Project Implementation, Placement Support, Product Development, Training, and Development / Value added courses, Workshops, Seminars and Internships** will be provided to the students and faculty members in the form of workshops, FDP, Seminars and internships conducted by Heron to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize value Added Courses /Short term courses /Internships /Workshops/ Seminars for NIET Engineering department college students to enlighten them on Industrial trends, Technological requirements.
- To organize short-term training programs in the field of Data Science.
- To provide opportunities for the Artificial Intelligence and Data Science students of the college to undergo Industrial training and Implant visits.
- To provide Internships for best-performing Individuals.

Dr. P. MANIWARAN
Principal

Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

For HERON TECHNOLOGIES

PROPRIETOR

- To identify and help the college in the area of taking up R&D projects.
- b. Services to be rendered by NIET include:
- To create awareness among the students about EMBEDDED, IOT, LoRa WAN, MATLAB, LABVIEW, MACHINE LEARNING, SAP, PYTHON, JAVA, PHP, .NET, NS2, ANDROID, MECHANICAL, VLSI, IMAGE PROCESSING, POWER ELECTRONICS and supports to Real-Time Training, Project Implementation, Placement Support, Product Development, Training, and Development / Value added courses, Workshops, Seminars and Internships will be provided to the students and faculty members in the form of workshops, FDP, Seminars and internships conducted by Heron.
 - To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the Heron Technologies.
 - To train the employees of the Heron Technologies on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dr. P. MANIWARAN
 Principal

Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Dr. P. MANIWARAN
 Principal
 Nehru Institute of Engg. & Technology
 T.M.Palayam, Coimbatore - 641 105.

For HERON TECHNOLOGIES

 PROPRIETOR

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of Topics of **EMBEDDED, IOT, LoRa WAN, MATLAB, LABVIEW, MACHINE LEARNING, SAP, PYTHON, JAVA, PHP, .NET, NS2, ANDROID, MECHANICAL, VLSI, IMAGE PROCESSING, POWER ELECTRONICS** and supports to **Real-Time Training, Project Implementation, Placement Support, Product Development, Training, and Development / Value added courses, Workshops, Seminars and Internships** will be provided to the students and faculty members in the form of workshops, FDP, Seminars and internships.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

For Partner Technology

PROPRIETOR

- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the training:

Signatories

This Agreement shall be signed on behalf of **Heron Technologies**, 6B, 3rd Floor, Gokhale Street, Ram Nagar, Gandhipuram, Coimbatore- 641009 by **Mr. A. Memorandum of Understanding

This Memorandum of Understanding (the Memorandum) is made on this May 2024, by and between **Jaysan Agri Industrial (JAI)**, 80-1,1C SS Garden CRI Nagar, Kalapatti, Sathy Road, Coimbatore, Tamil Nadu 641035 and **Department of Mechanical Engineering**, Nehru Institute of Engineering and Technology, Thirumalayampalayam, Coimbatore – 641105, Tamil Nadu, India. Hereinafter, referred to as **JAI**. Nehru Institute of Engineering and Technology holds ISO 9001-2000 Certification for quality and systems hereinafter referred to as **NIET** for the purpose of achieving the various aims and objectives relating to the field of Education / Training and Development and for a collaborative relationship in the domains of agricultural machinery technology, other engineering activities ranging from workshops and internships for students in the field of agriculture.

P.M.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

WHEREAS JAI and NIET desire to enter into an agreement in which JAI and NIET will work together to provide Industrial Knowledge to students and faculty members.

AND WHEREAS JAI and NIET are desirous to enter into a Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees necessary to execute the Project.

Purpose

The purpose of this Memorandum is to provide the framework for any future binding contract regarding the Industrial between JAI and NIET for the Center of Excellence.

Obligations of the Partners

The Partners acknowledge that no contractual relationship is created between them by this Memorandum, but agree to work together in the true spirit of partnership to ensure that there is a united visible and responsive leadership of the Project and to demonstrate financial, administrative, and managerial commitment to the Project by means of the following individual services.

Cooperation

The activities and services for the training and development in JAI shall include, but not be limited to:

a. Services to be rendered by JAI include:

- In NIET premises for this purpose and assist in training their students in acquiring the necessary skills in domains of agricultural technology, Training and Development, and value-added courses, workshops, and Internships to seek employment in this area after they graduate from NIET with an engineering degree.
- To organize Value Added Courses/Short term courses/Internships/Workshops/Seminars for NIET Engineering department college students to enlighten them on Industrial Automation.
- To organize short-term training programs in the field of agriculture.
- To provide opportunities for the Mechanical Engineering students of the college to undergo Industrial training and Inplant visits.
- To provide Internships for best-performing Individuals.
- To identify and help the college in the area of taking up R & D projects.

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

b. Services to be rendered by NIET include:

- To create awareness among the students about the **Topic of agriculture machinery engineering, Product Development, Training, and Development / Value added courses, Workshops, and Internships** conducted by JAI.
- To provide classrooms/LCD and audio facilities and laboratory facilities as required for the training by the JAI.
- To train the employees of the JAI on latest technologies and techniques.

Communication Strategy

Marketing of the vision and any media or other public relations contact should always be consistent with the aims of the Project and only undertaken with the express agreement of both parties. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Co-coordinated communications should be made with external organizations to elicit their support and further the aims of the Project.

Liability

No liability will arise or be assumed between the Partners as a result of this Memorandum.

Dispute Resolution

In the event of a dispute between the Partners in the negotiation of the final binding contract relating to this Project, a dispute resolution group will convene consisting of the Chief Executives of each of the Partners together with one other person independent of the Partners appointed by the Chief Executives. The dispute resolution group may receive for consideration any information it thinks fit concerning the dispute. The Partners agree that a decision of the dispute resolution group will be final. In the event the dispute resolution group is unable to make a compromise and reach a final decision, it is understood that neither party is obligated to enter into any binding contract to complete the Project.

Term

This MoU is valid for 3 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

Notice

Any notice or communication required or permitted under this Memorandum shall be sufficiently given if delivered in person or by certified mail, return receipt requested, to the address set forth in the opening paragraph or to such other address as one party may have furnished to the other in writing.

Governing Law

This Memorandum shall be construed in accordance with the laws of the State of Tamil

Nadu.

Assignment

Neither party may assign or transfer the responsibilities or agreement made herein without the prior written consent of the non-assigning party, which approval shall not be unreasonably withheld.

Amendment

This Memorandum may be amended or supplemented in writing if the writing is signed by the party obligated under this Memorandum.

Prior Memorandum Superseded

This Memorandum constitutes the entire Memorandum between the parties relating to this subject matter and supersedes all prior or simultaneous representations, discussions, negotiations, and Memorandums, whether written or oral.

Understanding

It is mutually agreed upon and understood by and among the Partners of this Memorandum that:

- Each Partner will work together in a coordinated fashion for the fulfillment of the Project.
- In no way does this agreement restrict involved Partners from participating in similar agreements with other public or private agencies, organizations, and individuals.
- Technical updates in the field of Agriculture machinery **in the field of Engineering, Product Development, Training, and Development / Value added courses** will be provided to the students and faculty members in the form of workshops and internships.
- This Memorandum will be effective upon the signature of both Partners.
- Any Partner may terminate its participation in this Memorandum by providing written notice to other Partner.

The following Partners support the goals and objectives of the agricultural machinery training:

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this day of 4th of September, Two Thousand and Twenty-Three (04/09/2023), by and between

DEPARTMENT OF MECHANICAL ENGINEERING, NEHRU INSTITUTE OF ENGINEERING AND TECHNOLOGY, COIMBATORE, THE FIRST PARTY, represented herein by its NIET (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

AND

UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED, CHENNAI THE SECOND PARTY, and represented herein by its Founder, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

R. S. S.

P. M. S. S.
04/09/2023

(First Party and Second Party are herein after jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution named:
- (1) **MECHANICAL Engineering, Nehru Institute of Engineering and Technology**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to co-operate and focus their efforts on co-operation within area of Exchange of Expertise, shaping Curriculum / Pedagogy Planning & Review, Projects, Internships, Hackathon and similar activities to improve Quality of Education and Industry – Institute Interaction.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **(2) UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED, CHENNAI**, the Second Party is engaged in Business, Skill Development, and Outcome based trainings, Internships, Placement, training, Research and Development related services in the fields of **Engineering and Technology**.
- F) **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED, CHENNAI**, the Second Party is promoted by Mr. Mohamed Sherfuddin R, No:447/265, 3rd Floor, Poonamallee High Road, Aminjikarai, Chennai – 600 029, Tamil Nadu, Leading MEP & BIM with its HQ in Chennai, Tamil Nadu, India. We strive to surpass the competition in quality, innovation, maximize the uptime and safety of industries.
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MOU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Nehru Institute of Engineering and Technology and its related wings. The Parties shall keep each Other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof. In case of any future specific engagements, the Parties will sign a separate agreement as the case maybe.

CLAUSE 2

SCOPE OF THE MOU

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the pedagogy so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries, the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Mechanical, Electrical and Plumbing (MEP) and Building Information Modelling (BIM)**.
- 2.5 **Skill Development Programs:** Second Party to guide and train the Faculty of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.5 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.6 **Faculty Development Programs:** Second Party to train the Faculty members of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.7 **Internship & Placement Training of Students:** Second Party will actively engage to help the delivery of the training of students of the First Party into internships/jobs for the students, where feasible. The Second Party will itself absorb at least percentage of the trained students as Interns.

- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein
- 2.9 There is no financial commitment on the part of the **Nehru Institute of Engineering and Technology**, the First Party to take up any programme mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or Otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the Other Party.

CLAUSE 4

VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during the period of 3 years from the date of signing. **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED**, Chennai the Second Party, as the case may be, will take effective Steps for implementation of this MOU. Any act on the part of **UNIQUE MEP ENGINEERING ACADEMY PRIVATE LIMITED**, Chennai the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their Obligations

CLAUSE 5

RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the Other Party's name in any way, to make any representations or create any Obligation or liability, expressed or implied, on behalf of the Other Party, without the prior written consent of the Other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the Other Party, to pledge the Other Party's credit, or to extend credit on behalf of the Other Party.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

04/09/2023

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Trichy.

MEMORANDUM OF UNDERSTANDING

In furtherance of their mutual interest in the fields of education and research, Zeekers Technology Solutions PVT LTD, having its address at SSS TOWERS, 1st Floor, Behind Central Park Apartment, Sivanandhapuram, Coimbatore, Tamil Nadu - 641 035 and Department of Mechanical Engineering, Nehru Institute of Engineering and Technology (NIET) having its registered address at Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India, have entered into this Memorandum of Understanding (MoU) on this 03rd August 2023 as set forth below:

[Handwritten Signature]
Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE I

The MoU involves collaboration between **Zeekers Technology Solutions PVT LTD**, and Department of Mechanical Engineering, NIET in related disciplines.

The MoU-Partners shall seek to promote:

1. Technical knowledge upgrading of Students and Staff (Faculty and Undergraduate, Post Graduate & Doctoral Students) for the mutual benefit of both MoU-Partners.
2. Facilitate Students for pursuing Internship and In-plant training for mutual benefit of both MoU-Partners.
3. Collaboration in Teaching, Research & Development, and Consultancy Activities.
4. Exchange of Academic and Research Material and Publication/IPs.
5. Cooperation in Projects and Research Activities of mutual interest.
6. Collaboration in Research & Development in selective areas.
7. Publication of Research Paper in International Scientific Journal and in the Conferences.
8. Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Partners, as applicable and mutually agreed in writing specifically for the purpose.
9. Writing Books/Booklets jointly in the areas of mutual interest.

ARTICLE II

The activities under this MoU will include:

1. Staff Exchange

Staff Exchange activities cover visits to either organizations for any of the following purposes:

- (i) Undertaking Joint Research
- (ii) Attachment of Staff for purposes of Curriculum Development & Review, Attendance in Courses and Upgrading of Teaching & Research Skill
- (iii) Participation in Seminars, Workshops and other types of academic discussions
- (iv) Contributions of Teaching Programmes
- (v) Co-supervision of Graduate Students

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

(vi) Conduct study tours, joint consultancy and research work.

2. Student Exchange:

Student Exchange activities (for Undergraduate) cover visits to either institution for any of the following purposes:

- (i) Participation in Workshop.
- (ii) Internships for B.E. M.E Students at **Zeekers Technology Solutions PVT LTD.**
- (iii) In-plant training and project work for B.E. M.E Students at **Zeekers Technology Solutions PVT LTD,**
- (iv) Industrial visit to B.E. M.E Students at **Zeekers Technology Solutions PVT LTD**

3. Exchange of Academic Materials:

Exchange of relevant Academic Materials will be carried-out subject to mutual agreement of both MoU-Partners.

ARTICLE III

Implementation of cooperation based on this MoU shall be dealt with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

The MoU shall remain in force for a period of 3 (Three) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other institution. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.

ARTICLE VII

Both the **Zeckers Technology Solutions PVT LTD**, and Department of Mechanical Engineering, NIET reserve the right to terminate this MoU by either organization giving 2 (Two) months written notices to the other. Where such termination occurs, the provisions of the MoU shall continue to apply to ongoing activities until their completion.

ARTICLE VIII

Participating staff and students involved in any activities under this MoU must adhere to the law of the country and rules & regulations of the host MoU-Partners.

Dr. P. MANIARASAN

Principal

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE IX

Zeekers Technology Solutions PVT LTD, and Department of Mechanical Engineering, NIFT welcome establishment of this MoU for cooperation and jointly agree to provisions as set out above. There are two copies of this MoU equally valid, one for each of MoU-Partners, effective from the date of its signing.

Terms and conditions of this MoU is accepted and signed by,

Implementation of cooperation based on this MoU shall be dealt with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

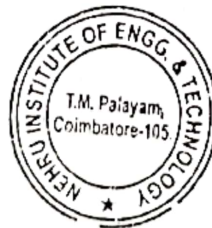

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

The MoU shall remain in force for a period of 3 (Three) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other institution. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.

Detailed Report of the Technical Seminar:

The Technical Seminar titled "Next-Gen Robotics OS: Pioneering the Future of Emerging Technologies" was organised by the Department of Computer Science and Business Systems on 05.08.2023. The goal of this technical seminar was to educate participants on recent trends in Operating Systems used in Robotics.

The Seminar was inaugurated by Dr. Y. Sarojini, Associate Professor & Head /CSBS, NIET and then the session was addressed by Mr. M. V. Harshavardhan, Zeekers Technology Solutions, Coimbatore.

The resource person initiated the seminar with the importance of Operating Systems and its role in Robotics. The resource person spoke about ROS : Robot Operating System and its scope. Then the hands-on session was conducted for ROS installation and its basic configuration.

MEMORANDUM OF UNDERSTANDING

Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

In furtherance of their mutual interest in the fields of education and research, FITA Academy, having its address at 171/2A, Promenade Tower, Sathy Main Road, Saravanampatti, Coimbatore - 641 035, Tamilnadu and Department of Computer Science and Business Systems, Nehru Institute of Engineering and Technology (NIET) having its registered address at Thirumalayampalayam, Coimbatore - 641105, Tamil Nadu, India, have entered into this Memorandum of Understanding (MoU) on this 4th March 2024 as set forth below:

04/03/2024

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

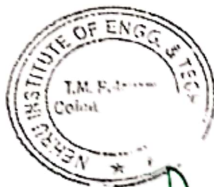

ARTICLE I

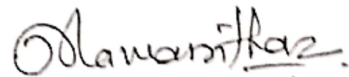

The MoU involves collaboration between FITA Academy, and Department of Computer Science and Business Systems, NIET in related disciplines.

The MoU-Partners shall seek to promote:

1. Technical knowledge upgrading of Students and Staff (Faculty and Undergraduate, Post Graduate & Doctoral Students) for the mutual benefit of both MoU-Partners.
2. Facilitate Students for pursuing Internship and Inplant training for mutual benefit of both MoU-Partners.
3. Collaboration in Teaching, Research & Development, and Consultancy Activities.
4. Exchange of Academic and Research Material and Publication/IPs.
5. Cooperation in Projects and Research Activities of mutual interest.
6. Collaboration in Research & Development in the areas of Computational Fluid Dynamics, and Structural Dynamics.
7. Publication of Research Paper in International Scientific Journal and in the Conferences.
8. Publication of Intellectual Properties (IPs) developed jointly through Project / Research Collaboration. Such IPs would acknowledge joint ownership and inventor-ship of Personnel/Students belonging to both MoU-Partners, as applicable and mutually agreed in writing specifically for the purpose.
9. Writing Books/Booklets jointly in the areas of mutual interest.

Dr. P. MANIARASAN
Principal
Nehru Institute of Engg. & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE II

The activities under this MoU will include:

1. Staff Exchange

Staff Exchange activities cover visits to either organizations for any of the following purposes:

- (i) Undertaking Joint Research
- (ii) Attachment of Staff for purposes of Curriculum Development & Review, Attendance in Courses and Upgrading of Teaching & Research Skill
- (iii) Participation in Seminars, Workshops and other types of academic discussions
- (iv) Contributions of Teaching Programmes
- (v) Co-supervision of Graduate Students
- (vi) Conduct study tours, joint consultancy and research work.

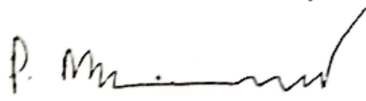

2. Student Exchange:

Student Exchange activities (for Undergraduate) cover visits to either institution for any of the following purposes:

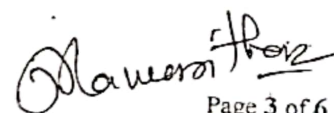

- (i) Participation in Workshop.
- (ii) Internships for B.E; M.E Students at FITA Academy.
- (iii) Inplant training and project work for B.E, M.E Students at FITA Academy.
- (iv) Industrial visit to B.E, M.E Students at FITA Academy.

3. Exchange of Academic Materials:

Exchange of relevant Academic Materials will be carried-out subject to mutual agreement of both MoU-Partners.

Dr. P. MANIWARAN
Principal
Nehru Institute of Engg & Technology
T.M.Palayam, Coimbatore - 641 105.

ARTICLE III

Implementation of cooperation based on this MoU shall be dealt with between the relevant Faculties and Divisions/Departments of both MoU-Partners. Wherever necessary, a specific plan shall be worked-out for each activity setting-forth detailed arrangements for collaboration. Such plans shall be subjected to approval of the appropriate authorities of partners in writing and signed format. To facilitate development of such plans, each MoU-Partner shall nominate a member of its staff to coordinate activities arising under this MoU.

ARTICLE IV

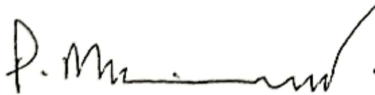

Both MoU-Partners agree and undertake to keep confidential at all times information and/or data that may be exchanged, acquired and/or shared in connection with the area of cooperation, as mentioned above, unless otherwise the same information already exists in the public domain.

ARTICLE V

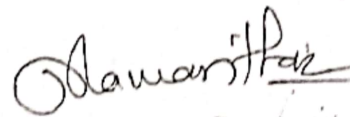

Ownership of findings of any joint research shall be vested in both MoU-Partners to this MoU and any publications regarding the same shall only be possible after prior approval in accordance with a documented process.

ARTICLE VI

The MoU shall remain in force for a period of 3 (Three) years commencing from the date of signing and may be reviewed by mutual consent by serving 2 (Two) months written notice to the other institution. Upon renewal, both MoU-Partners shall select either to proceed with the existing or new terms of understanding.
