Date Conducted	07.06.2022

REPORT

On Tuesday, June 07, 2022, our college organized a blood drive on our campus. All the students were asked to donate blood. For the mission, 11 nurses and 1 doctor from Shanthi Social Service came to our college to provide their valuable services. The core goal of this programme was to collect blood and donate it to the Shanthi Social Service Hospital

The principal, faculty members, and students donated their blood happily. We felt proud of such a good deed by helping poor people. Furthermore, outsiders were also invited for this purpose. A large number of people gave their blood willingly. All were happy that they got the opportunity to participate in this act

The doctors **collected 132 units of blood from the volunteers**. The collected blood was donated to the hospital as per the goal of the programme to save the lives of needy people.

Name of the Event	" SAVE SOIL "
Date Conducted	22.04.2022

REPORT

NSS, YRC/RRC & Rotaract club students participated in the *SAVE SOIL MOVEMENT* in association with the ISHA Foundation Coimbatore at Gandhipuram main junction. Agriculture with its allied sectors is unquestionably a largest livelihood provider in India, more so in the vast rural areas. It also contributes a significant figure to the Gross Domestic Product. Indian agriculture and allied activities have witnessed different revolutions. Sustainable agriculture, in terms of food security, rural employment, and environmentally sustainable technologies such as soil conservation, sustainable natural resource management and biodiversity protection, are essential for holistic rural development. In India, one of the most important factors responsible for reduced yield and stunted plant growth is the deteriorated soil.

The objectives of the program were: • To encourage farmers for adopting soil testing techniques • To adopt Soil Management strategies • To create awareness about the importance of Soil Health card • Benefits of the healthy ecosystem • To give an insight about the soil health card portal

"SOIL" the only magic material that turns death into life. Save Soil Movement is all about bringing humanity together to keep this magic alive. At this event, 50 volunteers participated and supported the event.

Name of the Event	73rd Republic Day Celebration.
Date Conducted	26.01.2022

REPORT

India marks January 26 as its Republic Day every year. In 2022, the country is celebrating its 73rd Republic Day. While India gained Independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in our university with great eclat. The university building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, our CEO & Secretary Dr. K. Krishnakumar sir hoists the flag in the NIET campus. The main attraction of Republic Day celebrations is singing a patriotic song, speech on freedom fighters, Veterans India Patriotic run by students as well as faculty members at Thirumalayampalayam village. Dr. Shankaran Sir speaks a few words about freedom fighters and corona warriors. These were followed by stirring speeches by the students, teachers, and some prominent citizens. In the end, the program was concluded by distributing sweets and snacks to all the students.

Name of the Event	"COIMBATORE SMART CITY SURVEY"
Date Conducted	23.09.2021

REPORT

There is no universally accepted definition of a Smart City, the conceptualization varies from city-to-city and country-to-country, depending on the level of development, willingness to change and reform, resources and aspirations of the residents.

The mission of smart city with increasing urban population and rapid expansion of areas, operators are looking at smarter ways to manage complexities, increase efficiencies and improve quality of life. This has created need for cities that monitor and integrate infrastructure to better optimize resources while maximizing services to its citizens.

The objective of smart city initiative is to promote sustainable and inclusive cities that provide core infrastructure and give a decent quality of life to its citizens, a clean, road safety and sustainable environment and application of 'Smart' Solutions.

Our students participated in a road safety survey in association with UYIR NGO.

REPORT

Independence Day was celebrated with great enthusiasm and patriotic fervor on 15th August, 2022 in the school ground with the staff, students and parents to mark the 75th year of freedom from the British rule.

On this special occasion, the programme started with flag hoisting by the Principal Dr. P. Maniwaran. He addressed the gathering appealing to their nationalistic spirit and urging them to take pride in being an Indian and fulfilling one's duty with responsibility. He also emphasized the role of youth today as the true wealth of a country. Indeed, it was a day of joy, a day to love and respect our country and make it a better place for Indians to live and experience the freedom, peace and unity in diversity. These were followed by stirring speeches by the students, teachers, and some prominent citizens. In the end, the program was concluded by distributing sweets and Face mask to all the students and publics.
