Dear Ramu,

We are pleased to engage you in Sunquest Information Systems (India) Private Limited in the capacity of **INTERN** at our Kolkata Unit.

1. INTERNSHIP COMMENCEMENT:

Your commencement of internship will begin on or before January 25, 2021.

2. REMUNERATION:

You will be paid a consolidated stipend of Rs 16,000 (Rupees Sixteen Thousand Only) per month, inclusive of all allowances.

3. RESPONSIBILITIES:

- a. During the office hours you are expected to execute the responsibilities assigned to you with full dedication and honesty. You shall comply with the rules, regulations and policies as outlined in the various policies/notifications published by the Company from time to time.
- b. You may be required to undertake travel for official purposes for which the Company will make necessary arrangements or reimburse the expenses incurred by you as pre-determined by the Company.
- c. During your association with the Company (not limited only to the period of internship), you shall not directly or indirectly engage in any conduct which is adverse to the best interests of the Company.
- d. You shall at all times maintain exemplary conduct, decorum and shall also uphold honesty and integrity in all your actions.

4. CONFLICT OF INTEREST:

- a. During your period of internship, the Company will entrust you with assignments and responsibilities as it may deem fit and it would expect you to accept the same with high faith and commitment. However, it would expect you not to undertake any other activities which would be in conflict with the interest of the Company.
- b. In case of any conflict or doubt, you are expected to discuss the matter with your Manager or Manager People Operations to understand the Company's perspective and resolve the conflict.
- c. In Addition to the above mentioned points, you will also be governed by Clauses in the "Employee Handbook" and the "RESTRICTIVE COVENANTS OF INTERNSHIP" duly signed by you at the time of joining internship.

5. CONFIDENTIALITY AND NON -DISCLOSURE:

- a. You would be expected to maintain confidentiality associated with your work behavior and breach of this work behavior would attract very severe disciplinary action. You would be expected not to share information with regard to Company's data or client organizations or any other information that you may become privy to in the course of your engagement with the Company, to other individuals within or outside of the Company, or other organizations.
- b. In Addition to the above mentioned points you will be governed by Clauses in the "Employee Handbook" and "RESTRICTIVE COVENANTS OF INTERNSHIP" duly signed by you at the time of joining internship.

6. TERMINATION:

- a. Your Internship will begin on January 25, 2021 and will terminate automatically on June 30, 2021. However the company, at its discretion, might choose to supersede the Internship letter by a written Appointment Letter that you commit to accept. This Appointment Letter will be handed over to you before four working days of the expiration of the Internship period. In case the Company does not choose to hire you as an employee, at its discretion, on the expiry of the internship, your internship will stand terminated on and from June 30, 2021.
- b. If your termination of Internship is on the grounds of misconduct or consequence of any other disciplinary matter(s) the Company may cease your internship with immediate effect.

7. FUTURE ENGAGEMENT:

- a. Being mindful of the high cost of extensive training incurred by the Company, you agree to serve the company for the entire duration of the Internship, and concurrently accept the appointment with the Company, if the Company intends to appoint you as a Permanent employee.
- b. If clause 7(a) is not acceptable to you, you agree to compensate the Company with an amount equivalent to the notional cost of the initial Company sponsored training given to you, as well as the stipend amount paid/payable for the entire duration of the Internship period.

8. RULES AND REGULATIONS:

You shall abide by the rules and regulations of the Company which are in force and/or may be framed from time to time.

9. SAFETY OF COMPANY'S ASSETS AND LIFE:

You shall be responsible for the safe-keeping of all the Company's property and observance of all safety protocols failing which the Company reserves its right to take appropriate disciplinary action against you. The disciplinary action may include fine or termination from the internship of the Company or both depending on the extent of the misconduct.

10. PERSONAL INFORMATION:

It is obligatory on your part to keep the Company updated of any changes in your personal information like residential address, civil status, and related areas.

Please confirm that the above terms are acceptable to you and that you accept them by signing a copy of this Internship Letter.

Sincerely,

ViteshBalaji

We are glad to inform you that Arun Kumar M from Nehru Institute of Engineering and Technology, Coimbatore has successfully completed the internship program at Brahmastra Aerospace Systems from 08.09.2020 - 26.09.2020.

During the internship, the candidate was exposed to various activities and discussion through online and the candidate successfully completed the internship on "**Modelling and Simulation of Control Surfaces**" at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the internship.

The candidate's association with us was very fruitful and we wish his all the best in his future endeavours.

We are glad to inform you that Dinesh Kumar M from Nehru Institute of Engineering and Technology, Coimbatore has successfully completed the internship program at Brahmastra Aerospace Systems from 08.09.2020 - 26.09.2020.

During the internship, the candidate was exposed to various activities and discussion through online and the candidate successfully completed the internship on "**Modelling and Simulation of Control Surfaces**" at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the internship.

The candidate's association with us was very fruitful and we wish his all the best in his future endeavours.

We are glad to inform you that Shibina Nair A from Nehru Institute of Engineering and Technology, Coimbatore has successfully completed the internship program at Brahmastra Aerospace Systems from 08.09.2020 - 26.09.2020.

During the internship, the candidate was exposed to various activities and discussion through online and the candidate successfully completed the internship on "**Modelling and Simulation of Control Surfaces**" at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the internship.

The candidate's association with us was very fruitful and we wish her all the best in her future endeavours.

CERTIFICATE

We are glad to inform you that Ajay A from Nehru Institute of Engineering and Technology, Coimbatore has successfully completed the internship program at Brahmastra Aerospace Systems from 03.12.2020 - 18.12.2020.

During the internship, the candidate was exposed to various activities and discussion through online and the candidate successfully completed the internship on **"Simulation of UAV with MATLAB"** at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the internship.

The candidate's association with us was very fruitful and we wish all the best in future endeavours.
