Dear All,

Greetings.

This is for your information and immediate action that, as i have already discussed in the whatsapp, you would've completed the verification of your entry in iCampuz with the stock book and physical availability of the item. If not, kindly update me with the time required to complete. But at any cost it has to be completed within this week.

Kindly update your institution status within two days.

After completion of this task we will have an Internal audit between institutions.

Thanks for your cooperation all the time and in the future.
