POLICY DOCUMENT ON GREEN CAMPUS

Dr. P. MANIARASAN
Principal

Nehru Institute of Engg. & Technology
TM Palayam, Coimbatore - 641 105

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Members of the committee

1. **Mr.R.Sudarmani,**
Administrative Officer

2. **Mrs.K.Sivakami,**
Assistant Professor

Rules and Regulations

1. Environmental awareness and education through staff development, advocating green curricula and program development, supporting natural sciences and social sciences consistent with our vision, and facilitating interdisciplinary learning related to the environment.
2. The use of sustainable energy and energy efficiency measures at all levels in order to reduce the college's carbon footprint.
3. Comprehensive recycling and composting.
4. Local and environmentally preferable purchasing.
5. The creation of a deserved green image for Green campus in the community.
6. Collaborative work with the physical plant on above goals and the integration of green practices into the institution as a whole.
7. To give students responsibility and to make them recognize that their ideas are valued.
