**NATURE CLUB** Organizes

## Tree Plantation on World Wetland Day

Date: 02<sup>nd</sup> February 2021

Venue : NIET Campus

To create the awareness about the world wetland day the Nature club of NIET organized the tree plantation ceremony at NIET campus for students. And we planted 10 tree saplings in NIET campus.

World Wetlands Day is observed every year on February 2. It is celebrated to raise global awareness about the vital role of wetlands for people and our planet. we are losing wetlands three times faster than forests. Yet, wetlands are critically important ecosystems that contribute to biodiversity, climate mitigation and adaptation, freshwater availability, world economies and more.

It is urgent that we raise national and global awareness about wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them. World Wetlands Day is the ideal time to increase people's understanding of these critically important ecosystems.

## NATIONAL SERVICE SCHEME

Date: 21.05.21

### Report

On 21st May, 2021, successfully completed the event of Tree Plantation under the National Service Scheme at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.
