Date Conducted	22.04.2022

### REPORT

NSS, YRC/RRC & Rotaract club students participated in the \*SAVE SOIL MOVEMENT\* in association with the ISHA Foundation Coimbatore at Gandhipuram main junction. Agriculture with its allied sectors is unquestionably a largest livelihood provider in India, more so in the vast rural areas. It also contributes a significant figure to the Gross Domestic Product. Indian agriculture and allied activities have witnessed different revolutions. Sustainable agriculture, in terms of food security, rural employment, and environmentally sustainable technologies such as soil conservation, sustainable natural resource management and biodiversity protection, are essential for holistic rural development. In India, one of the most important factors responsible for reduced yield and stunted plant growth is the deteriorated soil.

The objectives of the program were: • To encourage farmers for adopting soil testing techniques • To adopt Soil Management strategies • To create awareness about the importance of Soil Health card • Benefits of the healthy ecosystem • To give an insight about the soil health card portal

"SOIL" the only magic material that turns death into life. Save Soil Movement is all about bringing humanity together to keep this magic alive. At this event, 50 volunteers participated and supported the event.

<b>Name of the Event</b>	ONAM CELEBRATION
<b>Date Conducted</b>	24.08.2021

## REPORT

Onam is celebrated with great enthusiasm fervor on 24<sup>th</sup> Aug, 2021 in campus. On this special occasion, many events are conducted. Indeed, it was a day of joy, a day to love and make it a better. These were followed by events by the students, teachers. In the end, the program was concluded by distributing sweets to all the students and staffs.

Onam commemorates Vamana and King Mahabali According to Hindu legends, Onam is celebrated in Kerala in remembrance of the good governance under the rule of daitya king Mahabali, a mythical king who once ruled Kerala. The legend holds that jealous of Mahabali's popularity and his power, the devas and gods conspired to end his reign.

They sent Vamana to earth in the form of a dwarf Brahmin who trampled Mahabali to patala (netherworld). Vamana asked Mahabali for three feet of land as his wish from the generous Mahabali. Since denying gifts to Brahmin is considered a sacrilege, Mahabali agreed to fulfill Vamana's wish. In the first two feet Vamana measured the entirety of universe, leaving nowhere to place his third foot. Mahabali offered his own head to place his third feet making the wish complete. However, witnessing Mahabali's generosity, Vishnu granted the king's sole wish to visit his land and people once every year.
